Hi,

Please contact Sharon.Dickinson@lacity.org at the City Clerk. The notice was sent last Friday to all those who spoke at the South Valley Area Planning Commission and anyone who signed at SVAPC wanting notice. Planning doesn't prepare or mail out notices that are set for PLUM. The notice can also be found on the City Clerk website.

Take care,

Dear Mr. Rodriguez,

As of today October 19, 2016 the appellants have received NOTHING in regards to notice.

No mail, no emails, no nothing.

Since 2015 when notice first became an issue, people have gone out of their way to make a point in requesting notice whether they are the appellants or just a member of the public.

How are we to know when the PLUM hearing is held? How are we to know anything?

Good morning Mr. Rodriguez,

If you could please make sure the appellants as well as the **list of interested parties that has requested to be notified on this case** get proper and timely notice of the PLUM COMMITTEE appeal, we would appreciate it.

Thank you very much.

Just out of curiosity Mr. Rodriguez, does anything actually get read before it enters the 'case file?'

Well, let me think about this one.

If the staff has time to read it at the moment they receive it, it gets read. If the staff cannot read it due to workload, then a copy is made and the content is placed in the case file. This is so the content isn't lost and so the staff can go back to review and read all of the contents received for the case file when they have more available time to read it.

As of today, we have not received any letter that yo claim was mailed out.

I have asked 4 of the other residents who had signed the pink sheet if they had received this and they have not.

You said the ENV was already mailed out.
