CITY CLERK'S OFFICE

Dear CouncilMember Ryu,

I have seen this beautiful property in our San Fernando Valley.

I grew up with Bob Hope as the champion Host of the Oscars, and his delightfully comedic one-liner humor was one reason to watch the event for almost two decades.

He was also the Champion of the Virtue of "**One can make a difference**" with his dedication to community, nation, God, and quality of life around the world.

This is to strongly support the Historical Designation for the Hope Estate.

Sincerely,

Sarah Ramsawack
