Dear Councilmembers,

I am writing to ask that you support the Cultural Heritage Commission's decision to deny the designation of the property at 10350 Moorpark Street in Toluca Lake. I live at 10413 Bloomfield St. Toluca Lake and I do not support the designation. Please record this email in Council File #16-1049.

Thank you,

John Mekrut

Please support the Cultural Heritage Commission's decision to DENY the designation of the Bob and Delores Hope property at 10350 Moorpark Street in Toluca Lake, California. We live in Toluca Lake and do not support this designation. We think the desire of Bob and Delores Hope to leave their house, etc. to the Hope Foundation to continue helping the less fortunate and veterans should be recognized . Please record this email in council file #16-1049.

Thankyou,
Richard and Audrey Goddard
