Support, Councilman, David Ryu's motion to designate 2 acres of the Bob Hope Estate located at 10350 W. Moorpark St., Toluca Lake, CA 91602 as a "Historic Cultural Monument" under the procedures of Section 22.17.10 of the Administrative Code. See Below:

MOTION

Section 22.17.10 of the Administrative Code provides that the Council, Cultural Heritage Commission, or Director of Planning may initiate consideration of a proposed site, building, or structure as a Historic-Cultural Monument. After reviewing and investigating any such Council-initiated designation, the Cultural Heritage Commission shall agree or disapprove in whole or in part the proposed inclusion and submit a report upon such action to Council.

Council District 4's Toluca Lake neighborhood includes many buildings that are architecturally rich and worthy of preservation. One such historic treasure is the Hope Estate, located at 10350 West Moorpark Street, Toluca Lake, CA, 91602. The estate, approximately 15,000 square feet in size and set on a 5-acre site, was built in 1959 for Bob and Dolores Hope. The English traditional-style home was designed by architect Richard Finkbeiner, who designed and renovated homes for numerous other Hollywood icons. In the mid-1950s, attorney John Elgin Wolff, known for his Hollywood Regency-style, was commissioned to renovate and update the Hope Estate. The home was known to be a place for large gatherings and intimate visits from celebrity neighbors like Bing Crosby and Frank Sinatra.

In a report published in January 2013 for the Sherman Oaks-Brentwood City-Toluca Lake-Cahuenga Pass Community Plan Area, SurveyLA—the City's Historic Resources Survey—has identified the Hope Estate as an example embodying the essence of a residence of an important person in the entertainment industry, 1940-1980. Bob Hope had a prolific career as a comic actor, singer and dancer. He won five honorary Academy Awards and one humanitarian award.

It is imperative that the City's historic-cultural resources are celebrated and its historic architecture preserved for future generations. The Hope Estate, located on Toluca Lake's Moorpark Street, is an architectural treasure and integral to the history and culture of the Toluca Lake neighborhood, as identified in SurveyLA.

I THEREFORE MOVE that the Council determine, as provided in Section 34954.2(b)(2) of the Government Code, and pursuant to Rule 23 of the Rules of the City Council, that there is a need to take immediate action on this matter AND that the need for action come in the substance of the City Council subsequent to the posting of the agenda for today's Council meeting.

I FURTHER MOVE that the Council initiate consideration of the Hope Estate, located in 10350 West Moorpark Street, Toluca Lake, CA, 91602, as a City Historic-Cultural Monument under the procedures of Section 22.17.10 of the Administrative Code, and instruct the Planning Department to prepare the Historic-Cultural Monument application for review and consideration by the Cultural Heritage Commission.

I FURTHER MOVE that after reviewing the application, the Cultural Heritage Commission submit its report and recommendations to the Council regarding the inclusion of the Hope Estate in the City's list of Historic-Cultural Monuments.

Dear Councilman David Ryu,

I am a homeowner in Toluca Lake and strongly support your efforts to preserve this culturally historic property!

Toluca Lake is known as "Old Hollywood" It's list of famous actor residents is legendary. Bob Hope was more than just a celebrity his countless contributions to our country and our troops have had a lasting impression on everyone who lives here. Now with America in the state it's in are we just going to abandon an icon that truly make America great?

I chose Toluca Lake because of its long time heritage. Over the years there have been numerous distinguished visitors to the Hope Estate, including President Richard Nixon, who landed Marine One on the back lawn. Not to mention the thousands that would line up at his front door every Halloween to get their personalized Bob Hope gifts. Some gifts even said, "Thanks for the Memories"!

Thank you for all your efforts to keep Bob Hope's Legacy in Toluca Lake!

Sincerely,

Erika Merrill

Dear Councilman D. Ryu,

2-28-17

I write this letter to ask the city council
to set aside the Bob Hope Estate as a
cultural residence, so that we may have
some history saved for generations
to come.

This man was more beloved and
admired than many Presidents of
these great United States. They
have libraries built in their honor,
can't we preserve the home of one
of the greatest heroes of the
United States as a tribute to all
he did to promote love and pride
of this Great Nation.

Thank you,

Dear Councilman Ryu,

Please save Tolosa Lake from yet another tear down, being replaced by cement board cheap houses.

The Bob Hope Estate is one of the few old quality estates left. It may not be an ~~old~~ architectural masterpiece, but everytime we have visitors we drive by St. Charles and say that's the Church that "Bob" Built; then we drive a few blocks further and say.

"This is where Bob Hope raised his family and where he resided until the day he died at over 100 yrs. old."

I guess that tells you how much he loved Tolosa Lake.

I hope to do the same in this beautiful community where we still celebrate Christmas with lights, have parades and the 4th of July!

This is where the Greatest American Entertainer entertained our soldiers decade after decade.

Please give us the opportunity to keep this Salute to Bob Hope
