RE: November 22, 2016 meeting
Agenda Item No. 8
File No. 16-1074 - Agree

Dear Honorable Members,

Please consider my statement of agreement with the Cultural Heritage Commission to approve the inclusion of the Lytton Savings building in the list of Historic-Cultural Monuments.

I am aware that prior to hearing this matter, the full council approved the proposed development which includes this site. I sincerely hope that the council will amend that approval to include the preservation of this monument.

Yours sincerely,
Carol Ng
