

**MOTION**

**I MOVE** that the Motion (Martinez - Cedillo - Harris-Dawson – Huizar - Price) relative to the need to increase participation by women and minority businesses in the City’s recycling, diversion, and waste management efforts, **CF 16-1235** and Item No. 46 on today’s Council agenda, **BE AMENDED** to include the following recommendation in additions to the recommendations contained in the Motion:

Request the City Attorney to prepare a draft ordinance relative to the Zero Waste Franchise Program concerning subcontractor requirements:

First Term of Service

- Requires franchisees to submit quarterly reports to the Department of Public Works, Bureau of Sanitation regarding its use of subcontractors, such as Minority Business Enterprise, Woman Business Enterprise, Other Business Enterprise, Emerging Business Enterprise, Disabled Veterans Business Enterprise, Small Business Enterprise; including a description and dollar amount of work performed;
- Requires franchisees to perform effective subcontractor outreach consistent with rules adopted by the Department of Public Works, Bureau of Contract Administration;
- Requires franchisees to submit quarterly reports to the Department of Public Works, Bureau of Sanitation of any current or anticipated subcontracting opportunities during the term of the franchise.

Option Term(s) of Service

- Provides that the City shall not exercise any option to renew a Franchise agreement with a franchisee who has not complied with these subcontracting requirements, or who has not made efforts to develop/mentor its subcontractors; including conducting outreach to increase the balance of diversity of its subcontractors.
