Summary: On behalf of the Silver Lake Neighborhood Council, we respectfully request that the Los Angeles City Council support Councilmember O'Farrell's motion to provide free legal assistance and all details mentioned below.

Our Silver Lake community has long been a vanguard of tolerance, inclusivity, diversity, and compassion. Families should not be torn apart by the Trump Administration's plans to deport million of people. Children need to be protected and secure in their family units. Unless we are Native Americans, then we are all the descendants of immigrants, we contribute to our State's economy and our children become examples and leaders of our Nation.

We need to stand by our immigrant community, provide assistance, and help move people forward to become more successful and better members of our populace.

Please act on this Council Motion immediately as the Trump Administration is now in office.
