SUMMARY

At the meeting held on May 2, 2017, your Public Safety Committee considered CAO and Board of Policed Commissioners reports relative to the 2016 National CGIC Initiative Grant. The CAO reports that the 2016 National CGIC Intelligence Center Initiative grant award will allow the LAPD to establish a CGIC to produce timely and objective intelligence data and crime gun evidence, and focus forensic and prosecutorial resources on the most violent gun offenses in the Los Angeles area to reduce the overall rate of gun-related crime. After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the CAO transmittal, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
