Comments for Public Posting: I'm writing to oppose the ordinance on wild animals that would prevent certain NGO's that work in animal conservation from doing educational programs at certain events in LA. I fell in love with animal conservation when I was a young boy at educational programs like the one I'm trying to fight for today please don't hurt organizations that's struggle to do the right thing and take care of wild animals and help promote a better relationship between humans and animals for the future.

Comments for Public Posting: Dear LA City Council- The use of any animal for so-called sport or entertainment must be abolished. Let it start with the city of Los Angeles. This includes zoos, circuses, rodeos, horse racing (including simulcast). Any time that animals are used for profit, the animals lose. Please let us evolve. It is 2020. There are so many other things that we can do with our time besides using and abusing animals to entertain ourselves. Thank you.
