Dear Council Members,

I am writing to express my opposition to agenda item #161357.

I volunteer to exhibit animals at many schools, parks, and events organized by the Museum of Natural History, the National Park Service, STEM nights and other events at local schools. I ask that you allow me to continue to exhibit and teach our youth about wildlife and give them the opportunity to interact in a safe and humane way. The community is inspired through the presentations and interactions with Education Outreach Programs. With a bill like this in place we will see the END of outreach and wildlife education organizations in Los Angeles County.

The City of Los Angeles need not take any action on this matter. Citizens can always call the police or other city agencies if animals are seen being treated disrespectfully or have evidence that a handler is mistreating an animal.

I sincerely ask that the council dismiss this motion entirely.

Thank you.
