to me

Dear Honorable City Councilmember:

I am requesting that educational organizations and individual businesses the environments and provide essential public outreach, information and enrichment 1357. This bill, as it stands, will be the end of vital community-based public c organizations and individuals volunteer to exhibit animals at schools, parks, a institutions and programs such as the LA County Natural History Museum, th school-based activities, hospitals, youth-based program events, public park re Girl Scouts of America, etc.

Aside from the general population, they often educate the disabled, veterans considered at-risk. These businesses and individuals often travel to those wh and education because of of their own limitations. Community presentations welfare, preservation of our wildlife and our environment. They are meant to responsible and safe manner.

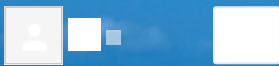

**Please include an important addendum that would allow responsible i outreach programs and exhibits that responsibly teach our communiti**

Thank you,  
Howell W. Thomas,  
Senior Paleontological Preparator (Retired)
