Dear Council Members,

As an officer of the Southwestern Herpetologists Society and owner/operator of Rock & Roll Reptiles Mobile Museum of Zoology, Paleontology, and Natural History, I ask that you allow legitimate educational organizations to be exempt from Agenda Item 16-1357. For many children, the only chance they my have to see, interact with, and learn about these amazing animals is at outreach events at schools, parks, and events organized by the Museum of Natural History, the National Park Service, STEM nights, and more. Please, so that future generations may have a chance to love and appreciate the natural world, write an addendum that allows educational organizations to exhibit wild/exotic animals in a safe and caring environment. Thank you for your time.

Sincerely,
Grayson Kent
