Hi my name is Michelle Maczka and I'm calling today because I hope you will approve the 333 La Cienega project. I'm very familiar with the neighborhood. I think it's great that this project will provide new apartments, especially with an affordable component for those of us just starting out. This is a great neighborhood for walking to all kinds of amenities and this project. I so support the 333 La Cienega project!

Thank you,  
Michelle Maczka

Hello, my name is Jamie Rezaie and I am writing to support the 333 La Cienega project on the site of the old Loehmann's store. It's going to be a great addition to the neighborhood. All of the street improvements planned for the site will make it more walkable and safer, and the amenities like a boutique market and restaurant will be welcome additions. Please approve the project!
