Hi,

My name is Page Nazarian and I'm writing today because I'm very happy that a new Caruso project is going to replace the dead space at the Loehmann's site. Our neighborhood will be better for all of the planned improvements the project will bring, and we know they will be maintained beautifully as demonstrated by the 8500 Burton building and The Grove. Mr. Caruso is also building near my home in the Palisades and I think it would be another move forward for this community.

Thanks,

Page Nazarian
