# Petition to Save Stanley Ave!

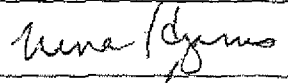

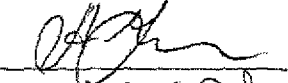

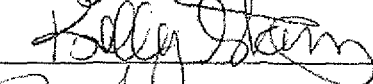

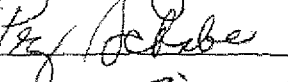

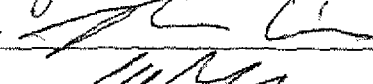

**We, the undersigned, are concerned citizens who urge our leaders to act now to Save Stanley Avenue!!**

Stop the demolition at 453-455 N Stanley Ave, and Stop Runaway Demolition In Our Neighborhood(s)! Greedy developers have been destroying the integrity of this neighborhood's houses and apartment buildings, and those in our surrounding neighborhoods. We oppose all small lot subdivisions. We are in favor of working with CEQA and Survey L.A. in order to help establish this neighborhood and adjoining neighborhoods as Historic Districts with laws that protect integrity, affordable housing and the rich cultural and aesthetic qualities that have blossomed here for more than a century!

# Petition to stop demolition of the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District

We are residents of Los Angeles, CA who live east of Fairfax, south of Rosewood, west of Vista and north of Beverly in the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District as defined by Survey L.A.

"The Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District is an excellent example of a 1920s to 1940s Period Revival neighborhood with multi-family residences in various Period Revival styles; it is also significant as an early Jewish enclave, representing the earliest movement of the Jewish community westward from areas like Boyle Heights in the late 1920s and early 1930s."

Action requested: We, the undersigned, call for an Interim Control Ordinance (ICO) of demolition of all properties in the Orange Grove Avenue -Gardner Street Avenue Multi-Family Residential Historic District in order to pursue Historic Preservation Overlay Zone (HPOZ) status for this architecturally in-tact, historically noted, multi-family affordable housing district.

# Petition to stop demolition of the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District

We are residents of Los Angeles, CA who live east of Fairfax, south of Rosewood, west of Vista and north of Beverly in the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District as defined by Survey L.A.

"The Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District is an excellent example of a 1920s to 1940s Period Revival neighborhood with multi-family residences in various Period Revival styles; it is also significant as an early Jewish enclave, representing the earliest movement of the Jewish community westward from areas like Boyle Heights in the late 1920s and early 1930s."

Action requested: We, the undersigned, call for an Interim Control Ordinance (ICO) of demolition of all properties in the Orange Grove Avenue -Gardner Street Avenue Multi-Family Residential Historic District in order to pursue Historic Preservation Overlay Zone (HPOZ) status for this architecturally in-tact, historically noted, multi-family affordable housing district.

# Petition to stop demolition of the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District

We are residents of Los Angeles, CA who live east of Fairfax, south of Rosewood, west of Vista and north of Beverly in the Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District as defined by Survey L.A.

"The Orange Grove Avenue-Gardner Street Multi-Family Residential Historic District is an excellent example of a 1920s to 1940s Period Revival neighborhood with multi-family residences in various Period Revival styles; it is also significant as an early Jewish enclave, representing the earliest movement of the Jewish community westward from areas like Boyle Heights in the late 1920s and early 1930s."

Action requested: We, the undersigned, call for an Interim Control Ordinance (ICO) of demolition of all properties in the Orange Grove Avenue -Gardner Street Avenue Multi-Family Residential Historic District in order to pursue Historic Preservation Overlay Zone (HPOZ) status for this architecturally in-tact, historically noted, multi-family affordable housing district.
