Re: Item #16-1454 (Koretz-Huizar)

Dear Members of the PLUM Committee,

I am fully in support of establishing the Orange Grove Avenue - Gardner Street Multi-Family Residential Historic District HPOZ (LAMC 12.20.3). This district is rich with examples of beautiful, intact and well-maintained multi-family structures from the 1920s, and should be protected from demolition and encroaching development.

I strongly urge you to support this new HPOZ.

Please include this letter in the case file.

thanks very much,
