Honorable Councilmembers,

My name is Nora Wyman. I have lived in the Orange Grove Avenue — Gardner Street Multi-Family Residential Historic District for over ten years. I support Councilmember Koretz's motion to initiate and establish an HPOZ (Item #16-1454 - Tuesday May 2, 2017).

Speculative development is destroying the distinct character and integrity of our historic neighborhood. I ask that all members of the PLUM Committee to please support and pass this Motion so that our neighborhood's rich history and character can be preserved.

Best,

Nora Wyman

Honorable Councilmembers,

My name is **Dee Ann Newkirk**, and I've just been served an **Ellis Act Eviction from The Cohanzad Family of Wiseman Residential**. Unfortunately, I live west of Fairfax and as a result, our neighborhood isn't totally intact and we can't become HPOZ! However, as someone who loves and walks by the Orange Grove Avenue — Gardner Street Multi-Family Residential Historic District daily, I support Councilmember Koretz's motion to initiate and establish an HPOZ (Item #16-1454 - Tuesday May 2, 2017).

Speculative development is threatening the integrity of our historic neighborhood. I ask that all members of the PLUM Committee to please support and pass this Motion so that our neighborhood's rich history and character can be preserved, Ellis Evictions can be thwarted, and beautiful, historic architecture can be preserved for generations and generations to come!

Best,

Dee Ann Newkirk
