CITY CLERK  
ME

Sir:

I am not agreeable to the 34 story residential building which will contain 376 multi-family dwelling with parking spaces with entry at Crenville, Stoner and Wilshire Blvd.

The above situation will create a big flow of vehicles and people in the three streets. My street Crenville is a short street only. At present this is already used as a short-cut to Federal passing Texas and going to onward streets to the South. We residents of Crenville will be adversely affected.

As to the EIR, I am not in full knowledge of this. I am sure any increase in the environmental impact will not be good.

This letter could just be a requirement but may just be filed. I hope a little adjustment could be done in the construction.

Very truly yours,

Flora J. Jose
