Dear Planning and Land Use Management Committee,

RE: CF 14-0656

Work on the Baseline Mansionization Ordinance Amendment has been long. The final piece of the puzzle that will help ensure neighborhoods keep their scale and character intact is to COUNT FRONT FACING ATTACHED GARAGES. We can't compromise on this!

RE: CF 16-1460

It is critical to the character of all neighborhoods that they are able to choose the new variation of the R1 Zone that applies to their area, especially with the addition of an RG Rear Detached Garage Supplemental Use District. Please support this.

While this only covers R1 Zones, we need to protect our R2 zones as well and I hope that the city begins its work on that soon.

Thank you,
