i think this petition is a really bad idea. smaller is better. less heating bills, less cooling bills. we should make bigger yards for kids to play in, plant more trees, be more ecological. bigger just invites speculators who build big ugly houses that fall apart. i am against this petition. signed: jerry sohn

**Brooke DeKofsky**

Los Angeles, CA · Feb 17, 2017

I want the ability to remodel and improve my property to keep up the value of my home and the neighborhood.

**Debra Curry**

Los Angeles, CA · Jan 20, 2017

I disagree R1V2 and BMO rules of Zoning in our area. I feel these rules will disvalue the homes in my area.
