Dear Ms. Dickinson, Councilmember Koretz, and Staff,

Please see attached document with 15 hand collected signatures of Cheviot residents **supporting the new BMO for Cheviot Hills**. As requested by the Council Office, we are continuing to do previously neglected outreach in our community on the issue of mansionization controls. Please expect more petition signatures to follow.

Signatures on these documents are certified true and correct to the best of my knowledge as I personally contacted each of the signatories at their home addresses listed.

In addition, you should have by now received an additional 50 signatures from BMO supporters on a change.org petition started by Cheviot Hills neighbors. The latest copy of that petition spreadsheet is attached. Please note, as indicated on the petition, there are two random signatures that are not Cheviot Hills residents. However there is one entry containing both names of a married couple. Thus there are 49 valid signatures for the record.

Please enter these two documents into the record of proceeding for in **support of BMO, CF 14-0656** for Cheviot Hills, and opposing R1VNew(now called R1V2) Variation Zones Code Amendment Council File 16-1460 for Cheviot Hills.

We sincerely hope that you will honor the residents' support for the new BMO for Cheviot Hills as represented by these signatures.

Respectfully submitted,

Colleen Mason Heller

# Stop Mansionization In Cheviot Hills!

WE SUPPORT THE BASELINE MAINTENANCE ORDINANCE ("BMO") FOR CHEVIOT HILLS. The updated BMO is a rational, respectful zoning plan that both removes incentives for developers to target homes in Cheviot Hills for demolition and over-building, and also provides residents with the flexibility to build out. The updated BMO supports renovation, rebuilding, and additions, while preserving the light, space and privacy between neighboring properties. The updated BMO has been approved citywide as the fairest and most balanced compromise, and we want the same protection from out-of-scale development for Cheviot Hills.
