from public

Case No.: DIR-2015-2976-TDR-SPR

CEQA No.: ENV-2006-6302-MND-REC1

Honorable Councilmembers,

We are submitting this evidence of support for the Alexan DTLA, as expressed in e-mails from 245 individuals who visited our website, www.alexandtla.com, and felt strongly in favor of the project. We also have included letters of support from the Central City Association, the Downtown Los Angeles Neighborhood Council, the Los Angeles Chamber of Commerce, the Historic Core Business Improvement District, 37 small business owners in the Jewelry District, and 9 small business owners from elsewhere in Downtown.

These individuals and organizations represent a cross-section of people who live, work and enjoy Downtown Los Angeles and want to see it continue to grow into a world-class urban center. They are Downtown stakeholders and visitors, veterans of Downtown as well as newcomers.

We hope you will recognize this as a strong show of support for the Alexan in your consideration of the Maple Multi-Family Land CA LP proposal.

Thank you.

Sincerely,

Tanner Blackman

Office of Zoning Administration, 7th Floor
200 North Spring Street
Los Angeles, California 90012

RE: **Planning Case #:** DIR-2015-2976-TFAR-SPR
Project Address: 850 S. Hill Street
Applicant: Maple Multi-Family Land CA, L.P.

Dear Zoning Administrator:

At our regularly held public meeting on February 9, 2016, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the above request, pursuant to the motion passed on January 19, 2016, by DLANC's Planning & Land Use Committee ("PLUC").

DLANC supports the applicant's request listed below:

1. Pursuant to LAMC §14.5.7, approval of a Transfer of Floor Area Rights of less than 50,000 square feet in connection with the construction of a new 26-story mixed-use project consisting of up to 305 apartment units and 6,999 square feet of ground floor retail.
2. Pursuant to LAMC § 16.05, that Site Plan Review findings be made in connection with the proposed development.

In DLANC's view, the information presented provides adequate justification for granting the requested approvals, subject to any additional conditions recommended by the LAPD and City Council Office. DLANC fully supports the applicant's request and encourages the city to approve.

If possible, please provide a digital copy of the decision letter by mail to planning@dlanc.com instead of sending a hard copy. Thank you for your consideration of these comments..

Very truly yours,

Patricia Berman
DLANC President

Very truly yours,

Simon Ha, AIA, LEED AP

Ms. Jenna Monterrosa
City of Los Angeles
Department of City Planning
200 North Spring Street
Los Angeles, CA 90012

Re: Case No.: DIR-2015-2976-TFAR-SPR & ENV-2015-2977-EAF

Dear Ms. Monterrosa,

Established in 1924, the Central City Association (CCA) is L.A.'s premier business advocacy association whose 450 members employ over 350,000 people in the Los Angeles region. As the primary architect of the Downtown Renaissance, CCA believes Downtown's continued success is dependent on new investment.

CCA strongly supports the proposed 26-story mixed-use, high-rise development project located at 850 S. Hill Street. This project will contribute significantly to our thriving city center. It will transform an existing surface parking lot into a high-rise with 305 residential units and 6,999 square feet of retail and restaurant space.

The project meets the requirements of the Downtown Design Guide by providing elements that activate the street and it accommodates vehicular parking in a way that respects pedestrians and public spaces.

CCA supports the development of this project and believes this is a great opportunity bring much needed residential and commercial units to Downtown.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carol E. Schatz".

Carol E. Schatz
President & CEO

LOS ANGELES AREA
CHAMBER OF COMMERCE

October 24, 2016

Ms. Jenna Monterrosa

200 N. Spring Street
Los Angeles, CA 90012

Re: Case No.: DIR-2015-2976-TFAR-SPR & ENV-2015-2977-EAF

Dear Ms. Monterrosa,

I write on behalf of the Los Angeles Area Chamber of Commerce and our 1,650 members in support of the project at 850 S. Hill Street. This project is an ideal fit for the Downtown Los Angeles community.

The Chamber supports the proposed 27-story project, which will bring a mix of residential units and commercial space to Hill and 9th Streets. This project will contribute significantly to our thriving city center. It will transform an existing surface parking lot into a high-rise with 305 residential units and 6,200 square feet of retail and restaurant space.

The project meets the requirements of the Downtown Design Guide by providing elements that both activate the street and accommodate vehicular parking in a way that respects pedestrians and public spaces. We appreciate the developer working with the community to make multiple alterations to the design in order to accommodate the concerns expressed by residents in surrounding buildings.

The Chamber supports the development of this project and believes this is a great opportunity to bring much-needed residential and commercial units to Downtown.

Sincerely,

Gary Toebben
President & CEO

Re: Project: The Alexan
Developer: Trammell Crow Residential
Location: 850 S. Hill Street
Case No. DIR-2015 -2976-TFAR-SPR
ENV-2015-2977 EAF

Dear Ms. Monterrosa,

On October 29, 2015 at the Historic Core Business Improvement District Board of Directors meeting, the Board voted unanimously to support the "Alexan" project at 850 S. Hill Street as presented by Trammel Crow. The project adds important density to Downtown while respecting the neighborhood's historic buildings and the scale of surrounding existing and planned developments.

Respectfully submitted,

Blair Besten
Executive Director
Historic Core Business Improvement District

Planning Case #: ENV-2006-6302-MND-REC1.
Project Address: 850 S. Hill Street
Applicant: Maple Multi-Family Land CA, L.P

Dear Ms. Monterrosa:

The Los Angeles County Bicycle Coalition supports the Alexan DTLA project proposed at 850 S. Hill Street. We believe the Alexan is an example of a forward-thinking development that places a priority on bicycling and its contribution to the critical role active transportation plays in land use, public health, and environmental outcomes of this region.

The Alexan will be a mixed-use, high-density residential community near transit in the heart of Downtown Los Angeles. It includes 344 at-grade bike parking spaces, a departure from the usual design that places bicycle stalls in remote areas of parking garages. This more accessible option incentivizes biking as the preferred alternative for residents of the Alexan and their visitors.

Projects designed with transit in mind, such as The Alexan, are important for sustainable development and are essential to creating and maintaining a thriving community.

We respectfully request your support and approval for The Alexan.

Sincerely,

Colin Bogart
Education Director

October 24, 2016

Honorable City of Los Angeles Planning Commissioners,

I love the City of Los Angeles and I am thrilled with the recent improvements for shopping, entertainment, and meeting up with friends.

LA is finally starting to feel as it has a real Downtown. None of it would be possible without the people who call Downtown home.

I see what a 24/7 population has made possible Downtown, but there are still pockets where empty sidewalks, vacant storefronts that make one part of Downtown seem disconnected from another.

That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill

DR-2015-2976-TDR-SPR//ENV-2015-2977-MND
850 S. Hill Street, Los Angeles, CA 90014

Sincerely,

John Hrovat
Director of Real Estate Investments
Camden

Support Small Businesses, Support The Alexan and DENSITY in Downtown LA!

Dear Councilman Huizar,

I own a business in Downtown Los Angeles' jewelry district. I am delighted with the revitalization of Downtown that you have helped make possible. New transportation options, creative offices and restaurants, more housing and density. But we are not "there" yet. Many small businesses downtown are working hard to keep their doors open. We still don't have the population density we need to support these businesses.

The proposed Alexan project at 9th & Hill Streets will help by bringing hundreds of new residents, visitors and shoppers into Downtown. The economic survival of small businesses is important to both the business owners and employees of Downtown Los Angeles. Housing density downtown is our issue, too.

I urge you to support the Alexan at 9th and Hill.

Support Small Businesses, Support The Alexan and DENSITY in Downtown LA!

I work in Downtown Los Angeles. I'm part of a growing and eclectic community that's building momentum with new creative offices and restaurants, more housing and density. But we are not there yet. Many small retail shops are working hard to keep their doors open. We still don't have the critical mass of residents we need to support these businesses. The Alexan will help by bringing hundreds of new residents, visitors and shoppers into Downtown. The economic survival of small businesses is important to both the business owners and employees of Downtown Los Angeles. I urge you to support the Alexan at 9th and Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

SUBJECT: Support Small Businesses, Support The Alexan and DENSITY in Downtown LA!

DATE: 2015-11-12 22:18:25

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

I love DTLA. I am thrilled with everything there is here for shopping, entertainment, and meeting up with friends. LA is finally starting to feel as if it has a real Downtown. None of it would be possible without the people who call Downtown home. I see what a 24/7 population has made possible Downtown, but there are still pockets where there's empty sidewalks, virtually nothing for blocks, and one part of Downtown seems disconnected from another. That's why I support the Alexan. The Alexan will bring hundreds of new residents, visitors and shoppers into Downtown. I want the experience of a fully alive and thriving DTLA. I urge you to support the Alexan at 9th & Hill.

Re: I Support The Alexan and DENSITY in Downtown LA!

Dear Alex Irvine,

I live in Downtown Los Angeles. I choose to live here because of what DTLA offers, a walkable/bikeable neighborhood where there's everything I need. We're a community that's building momentum with new housing and more density. The Alexan will bring hundreds of residents, visitors and shoppers into Downtown. Great streets, active sidewalks and a thriving city life is what we want. I urge you to support the Alexan at 9th and Hill.

Re: Support Small Businesses, Support The Alexan and DENSITY in Downtown LA!

Dear Alex Irvine,

I work in Downtown Los Angeles. I'm part of a growing and eclectic community that's building momentum with new creative offices and restaurants, more housing and density. But we are not there yet. Many small retail shops are working hard to keep their doors open. We still don't have the critical mass of residents we need to support these businesses. The Alexan will help by bringing hundreds of new residents, visitors and shoppers into Downtown. The economic survival of small businesses is important to the business owners as well as those of us who work Downtown. I urge you to support the Alexan at 9th and Hill.
