I live in a home designated for R3 zoning as a result of the ill conceived idea to split zone Brookside. I was very displeased to learned that despite the majority opposition, the plan to needlessly divide Brookside was adopted. This is by no means in the best interest of Brookside. Oddly, this type of arbitrary division was not adopted in the nearby community of Sycamore Square. Why are Brookside and its taxpaying homeowners being treated differently and so unfairly?

This is highly unacceptable and THANKFULLY the majority of the affected Brookside homeowners do too as does the Greater Wilshire Neighborhood Council who voted 18-0 in favor of unified V3 zoning for Brookside earlier this week. I strongly encourage each of you to support V3 zoning for ALL of Brookside.
