To PLUM Members & City Council Members

This is regarding the Neighborhood Zone Names & the new FAR for each different area.

----- KENTWOOD AREA -----

Our Council person & Assistant Mike Bonin & Tricia Keane changed our FAR to a .55-.45 under the new Updated Zone Name R1V2.

I am requesting it be lowered back to a FAR of .45-.35 & New Zone Name R1V3.

Thank you for your consideration,

Tommy & Bill Roys
