Stop Mansionization In Cheviot Hills!

WE SUPPORT THE BASELINE MAINTENANCE ORDINANCE ("BMO") FOR CHEVIOT HILLS. The updated BMO is a rational, respectful zoning plan that both removes incentives for developers to target homes in Cheviot Hills for demolition and over-building, and also provides residents with the flexibility to build out. The updated BMO supports renovation, rebuilding, and additions, while preserving the light, space and privacy between neighboring properties. The updated BMO has been approved citywide as the fairest and most balanced compromise, and we want the same protection from out-of-scale development for Cheviot Hills.
