Dear Ms. Dickinson, Ms. Gin, Ms. Cheng and Councilmember Koretz -

Please see the attached 5 new documents, and copy of one previously submitted document (on Feb. 28), in support of Cheviot Hills remaining in the R1-1/BMO zoning jurisdiction. The documents should be attached to the public record of CF **16-1470** and any and all Council Files and city files related to zoning in Council District 5.

Each signature was collected by me personally and are true and correct, and each signator has declared him/herself to be a registered voter in the boundaries of Cheviot Hills as described BOTH by the Cheviot Hills Homeowners Association and the map included on document of **16-1470**.

Please ensure that these documents are entered into the public file, and properly circulated, prior to its consideration on May 2, 2017.

Thank you,
Kerrin Clark

We are Cheviot Hills residents who care about our community and its future. With Los Angeles working to rebalance neighborhood growth and manage overdevelopment citywide, we support the updated Baseline Mansionization Ordinance ("BMO") as the fairest compromise to promote both our community's quality of life and reasonable growth.

We are Cheviot Hills residents who care about our community and its future. With Los Angeles working to rebalance neighborhood growth and manage overdevelopment citywide, we urge the City Council to keep Cheviot Hills an R1-1 zone, and not change us to R1V2New zoning that allows larger houses on smaller lots, incentivizes subdivision and permits taller, flatter roof lines and more exterior wall space.

Stop Mansionization In Cheviot Hills!

WE SUPPORT THE BASELINE MAINTENANCE ORDINANCE ("BMO") FOR CHEVIOT HILLS. The updated BMO is a rational, respectful zoning plan that both removes incentives for developers to target homes in Cheviot Hills for demolition and over-building, and also provides residents with the flexibility to build out. The updated BMO supports renovation, rebuilding, and additions, while preserving the light, space and privacy between neighboring properties. The updated BMO has been approved citywide as the fairest and most balanced compromise, and we want the same protection from out-of-scale development for Cheviot Hills.
