Summary: Tuesday, January 22, 2019 Councilmember David Ryu Councilmember Paul Koretz Councilmember Mitch O'Farrell 200 N. Spring Street Los Angeles, California 90012 Ref: Council files # 16-1472-S1 and #16-1472-S-1 Dear Councilmembers, The Hollywood Hills West Neighborhood Council (HHWNC) is a certified neighborhood council in the City of Los Angeles. The areas referenced below fall within HHWNC boundaries. At the HHWNC Board Meeting on Wednesday, January 16th, 2019, the following motion was made by the president Anastasia Mann and seconded by Area 7 chair, Barbara Witkin and unanimously passed by a vote of 20-0: HHWNC board recommends and requests that Council District 4 Member David Ryu, preferably with the support of Council members Koretz and O'Farrell, revise and amend both motions referencing the Hillside Construction District Ordinance CF 16-1427 to include all residential hillside areas within HHWNC including Whitley Heights, Lake Hollywood, Hollywood Knolls, the Outpost, Nichols Canyon and all of Laurel Canyon -well beyond the BABC area. In our discussion, stakeholders and board members expressed concern and hopes that these considerations would extend and protect hillside properties beyond HHWNC including but not limited to Hollywood Unified Neighborhood Council (HUNC) and Los Feliz Neighborhood Council (LFNC) territories. As a point of interest, the same day of our meeting and the following day during our heavy rains, mudslides and flooding occurred in the lower eastern portion of Nichols Canyon causing 22 homes to be evacuated. The slide was induced by the construction of a property including a lower basement with gradings weakening the land mass and endangering the homes below and adjacent, per LAFD reports. Thank you for your consideration, Councilmember Ryu. Sincerely, Anastasia Mann
