RESOLUTION

Resolution providing a proposal for the issuance of general obligation bonds to be submitted for approval by a two-thirds vote of the qualified voters of the City of Los Angeles, in accordance with California Constitution Article XIII A, Section 1(b)(2), to finance the acquisition or improvement of real property to provide: (a) supportive housing for extremely low income or very low income individuals and families who are homeless or chronically homeless, which includes facilities from which assistance and services, such as mental health treatment, health care, drug and alcohol treatment, education and job training, may be provided; (b) temporary shelter facilities, storage facilities, shower facilities and other facilities to be used to provide supportive services or goods to, or otherwise benefit, those who are homeless, chronically homeless or at risk of homelessness; (c) affordable housing, including veterans housing, for extremely low income, very low income and/or low income individuals and families, including those who are at risk of homelessness; and (d) associated infrastructure and landscaping, including utilities, sidewalks and streets to be used in connection with the aforementioned housing units and other facilities; any of which may be operated, managed, owned or used by the City, other public entities, nonprofit entities or private entities, as permitted by law.

WHEREAS, on January 7, 2016, the City Administrative Officer and Chief Legislative Analyst, with the assistance of various City of Los Angeles and County of Los Angeles representatives issued a Comprehensive Homeless Strategy Report (such report as amended is referred to herein as the Report, CF# 15-1138-S1) pursuant to the request of the Mayor and the Council of the City of Los Angeles;

WHEREAS, the Report provided more than 60 policy and funding recommendations in dealing with homelessness;

WHEREAS, in the Report, the Los Angeles Homeless Services Authority has identified approximately 26,000 homeless persons within the City of Los Angeles;

WHEREAS, the present homeless population within the City of Los Angeles which affects all segments of society, including all ethnicities and ages, and affects areas throughout the City of Los Angeles, has created a public health and safety crisis;

WHEREAS, the homeless crisis has been exacerbated by the underbuilding of housing in the City of Los Angeles, which has created a shortage of housing for homeless persons;

WHEREAS, low-income individuals and households face a greater risk and danger of homelessness because of the shortage of housing and affordable housing in the City of Los Angeles and resulting high rents;

WHEREAS, the City Council has determined that, to address this crisis, the public interest or necessity demands the acquisition or improvement of real property to provide: (a) supportive housing for extremely low income or very low income individuals and families who

are homeless or chronically homeless, which includes facilities from which assistance and services, such as mental health treatment, health care, drug and alcohol treatment, education and job training, may be provided; (b) temporary shelter facilities, storage facilities, shower facilities and other facilities to be used to provide supportive services or goods to, or otherwise benefit, those who are homeless, chronically homeless or at risk of homelessness; (c) affordable housing, including veterans housing, for extremely low income, very low income and/or low income individuals and families, including those who are at risk of homelessness; and (d) associated infrastructure and landscaping, including utilities, sidewalks and streets to be used in connection with the aforementioned housing units and other facilities; any of which may be operated, managed, owned or used by the City, other public entities, nonprofit entities or private entities, as permitted by law.

WHEREAS, the City Council finds that financing supportive housing, veterans housing, affordable housing and other facilities to provide supportive services or goods to those who are homeless, chronically homeless or at risk of homelessness, which may be owned by the City, other public entities, nonprofit entities or private entities, serves a public purpose;

WHEREAS, the City Council, for the fiscal year 2016-17 budget, included over One Hundred Million Dollars to address the homeless crisis;

WHEREAS, the Report has estimated that the projected cost estimate for the City of Los Angeles to create and maintain programs and facilities to address the public health and safety crisis created by homelessness in the City of Los Angeles, will require approximately Two Billion Dollars of funding over ten years;

WHEREAS, given limited resources and other priority endeavors in the City to ensure public safety, infrastructure improvements and a growing economy, it is clear that additional funding for housing is also needed to complement any City plan to address the homeless crisis in the urgent, comprehensive and persistent manner it deserves;

WHEREAS, the City Council finds that the issuance of general obligation bonds is the most cost effective way to raise funds necessary to pay for the acquisition or improvement of real property described above, and to stabilize the funding needs for such acquisition or improvement of real property, and to mitigate any financial pressures on the General Fund;

WHEREAS, in order to issue general obligation bonds for this purpose, it is necessary to prepare an ordinance ordering the submission of a proposition to incur general obligation bonded indebtedness to the qualified voters of the City of Los Angeles;

WHEREAS, the Charter of the City of Los Angeles Section 325 requires the preparation of a debt impact statement prior to the placing of any debt authorization on the ballot, and the City Administrative Officer has presented a debt impact statement to the City Council; and

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LOS ANGELES AS FOLLOWS:**

Section 1. That the recitals herein are true and correct.

Sec. 2. That the public interest or necessity demand: (a) the acquisition or improvement of real property to provide: (1) supportive housing for extremely low income or very low income individuals and families who are homeless or chronically homeless, which includes facilities from which assistance and services, such as mental health treatment, health care, drug and alcohol treatment, education and job training, may be provided; (2) temporary shelter facilities, storage facilities, shower facilities and other facilities to be used to provide supportive services or goods to, or otherwise benefit, those who are homeless, chronically homeless or at risk of homelessness; (3) affordable housing, including veterans housing, for extremely low income, very low income and/or low income individuals and families, including those who are at risk of homelessness; and (4) associated infrastructure and landscaping, including utilities, sidewalks and streets to be used in connection with the aforementioned housing units and other facilities; any of which may be operated, managed, owned or used by the City, other public entities, nonprofit entities or private entities, as permitted by law, all as further described in Exhibit 1 attached to this Resolution, and (b) the ordering of the preparation of an ordinance to submit a proposition to incur general obligation bonded indebtedness

Sec. 5. The City Clerk is hereby directed to present to the City Council the necessary resolutions and ordinance ordering the submission of the proposition to incur general obligation bonded indebtedness in the maximum aggregate principal amount and for the purposes set forth above and as described in Exhibit 1 attached to this Resolution to the qualified voters of the City at a Special Election to be called and consolidated with the State General Election to be held on November 8, 2016.
