C.F. No. 16-1800

RESOLUTION

Resolution providing that a ballot measure be submitted to the qualified voters of the City of Los Angeles.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LOS ANGELES AS FOLLOWS:

Section A. The following amendment to the Charter of the City of Los Angeles is hereby proposed to be submitted to the qualified voters of the City of Los Angeles at a Special Election to be called and consolidated with the State General Election held on November 8, 2016:

CHARTER AMENDMENT _____

Section 1. Section 245 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 245. City Council Veto of Board Actions.

Actions of boards of commissioners shall become final at the expiration of the next five meeting days of the Council during which the Council has convened in regular session, unless the Council acts within that time by two-thirds vote to bring the action before it or to waive review of the action, except that as to any action of the Board of Police Commissioners regarding the removal of the Chief of Police, the time period within which the Council may act before the action of the Board shall become final shall be ten meeting days during which the Council has convened in regular session.

(a) **Action by Council.** If the Council timely asserts jurisdiction over the action, the Council may, by two-thirds vote, veto the action of the board within 21 calendar days of voting to bring the matter before it, or the action of the board shall become final. Except as provided in subsection (e), the Council may not amend, or take any other action with respect to the board's action.

(b) **Waiver.** The Council may, by ordinance, waive review of classes or categories of actions, or, by resolution, waive review of an individual anticipated action of a board. The Council may also, by resolution, waive review of a board action after the board has acted. Actions for which review has been waived are final upon the waiver, or action of the board, as applicable.

(c) **Effect of Veto.** An action vetoed by the Council shall be remanded to the originating board, which board shall have the authority it originally held to take action on the matter.

(d) **Exempt Actions.** The following actions are exempt from Council review under this section:

- (1) actions of the Ethics Commission;
- (2) actions of the Board of Fire and Police Pension Commissioners;
- (3) actions of the Board of Administration for Los Angeles City Employees Retirement System;
- (4) actions of the Board of Administration of Water and Power Employees Retirement Plan;
- (5) quasi-judicial personnel decisions of the Board of Civil Service Commissioners;
- (6) actions of a board organized under authority of the Meyers-Milias Brown Act for administration of employer-employee relations;
- (7) individual personnel decisions of boards of commissioners other than the Board of Police Commissioners;
- (8) actions of the Board of Water and Power Commissioners regarding contracts involving consideration reasonably valued at less than an amount specified by ordinance; and
- (9) actions which are subject to appeal or review by the Council pursuant to other provisions of the Charter, ordinance or other applicable law.

(e) **Exceptions for Actions of City Planning Commission and Area Planning Commissions.** The Council shall not be limited to veto of actions of the City Planning Commission or Area Planning Commissions, but, subject to the time limits and other limitations of this section, after voting to bring the matter before it, shall have the same authority to act on a matter as that originally held by the City Planning Commission or Area Planning Commission.

Sec. 2. Section 371(b) of the Charter of the City of Los Angeles is amended to read as follows:

(b) **Competitive Sealed Proposals.** As an alternative to an award pursuant to open and competitive bidding, a contract can be let pursuant to a competitive sealed proposal method, in accordance with criteria established by ordinance adopted by at least a two-thirds vote of the Council. The competitive sealed bid proposal system may permit negotiations after proposals have been opened to allow clarification and changes in the proposal. Adequate precautions shall be taken to treat each proposer fairly. No award may be made pursuant to this alternative method to a proposer whose final proposal is higher as to the ultimate cost to the City, as above defined, than any other responsive proposal submitted. The contracting authority, in order to utilize this alternative method, must make a written finding supported by a written statement of

facts that adherence to the rule that the award be made to the lowest responsive and responsible bidder is not practicable or advantageous and shall also state in writing the reason for the particular award. Notwithstanding the foregoing, the Department of Water and Power may award contracts pursuant to a competitive sealed proposal method in accordance with criteria established by the Board of Water and Power Commissioners.

Consistent with competitive bidding requirements, design-build or other appropriate project delivery systems may be used when justified by the type of project and approved by the contracting authority.

Sec. 3. Section 501 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 501. Boards of Commissioners.

(a) **Creation.** Each department created in the Charter shall have a board of commissioners consisting of five commissioners, unless some other number is provided in the Charter for a specific board.

Each board shall be known as the Board of (insert name of department) Commissioners, except that the Board of the Personnel Department shall be known as the Board of Civil Service Commissioners.

(b) **Attendance Fees.** The Council shall, by ordinance adopted by a two-thirds vote, establish the amount of attendance fees to be paid to commissioners. Attendance fee ordinances shall be adopted no more frequently than once a year.

(c) **Term.** Unless otherwise provided in the Charter, a commissioner term shall be five years, beginning on July 1. The terms of the commissioners shall be designated so that as much as possible the terms of office are staggered. The period of the term of each commissioner shall be designated in the appointment. An appointment to fill an unexpired term on any board shall be for the period of the unexpired term.

(d) **Qualifications.**

(1) No person shall be appointed to a Charter created commission who is not a registered voter of the City. This requirement shall also apply to standing commissions created by ordinance that are advisory to, or manage, a department or office, or perform regulatory functions. This requirement does not apply to commissioners who are elected or who serve ex officio.

(2) No person who is required by ordinance to be registered as a lobbyist shall be appointed to a commission whose members are required to file financial disclosure statements pursuant to the California Political Reform Act.

(e) **Diversity.** Unless otherwise provided in the Charter, the Mayor, Council or other appointing authority shall strive to make his or her overall appointments to appointed boards, commissions or advisory bodies established by the Charter or ordinance reflect the diversity of the City, including, but not limited to, communities of interest, neighborhoods, ethnicity, race, gender, age and sexual orientation.

Sec. 4. Section 502 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 502. Appointment and Removal of Commissioners.

(a) **Appointment.** Unless otherwise provided in the Charter, commissioners of Charter created boards and of standing commissions created by ordinance that are advisory to, or manage a department or appointed office, or perform regulatory functions, shall be appointed by the Mayor, subject to the approval of the Council. The Mayor shall appoint the commissioners of all other ordinance created commissions, unless otherwise provided in the ordinance.

Within 45 days of a vacancy created by the expiration of a term of office or otherwise, the Mayor shall submit to the Council for its approval the name of the Mayor's appointee to serve for the next ensuing term or remainder of the unexpired term created by the vacancy.

If the Council does not disapprove the appointment within 45 days after its submission to the Council, the appointment shall be deemed approved. If the Council disapproves an appointment, the Mayor shall make and submit to the Council a new appointment within 45 days of Council disapproval. Each subsequent Council disapproval of a mayoral appointment shall create a new 45 day period.

(b) **Appointment by President of the Council.** In the event the Mayor fails to submit an appointment to the Council within any of the 45 day periods provided in this section, the President of the Council shall, within an additional 45 days, submit an appointment for that office to the Council for its approval. If the Council does not disapprove the appointment made by the President of the Council within 45 days after submission, the appointment shall be deemed approved by the Council.

If the Council disapproves the appointment made by the President of the Council within the 45 day period, the President of the Council shall make a new appointment to the office involved within 45 days of the disapproval of the previous appointment. Each subsequent disapproval of an appointment made by the President of the Council shall create a new 45 day period.

(c) **Appointment by Council Resolution.** Upon failure of the President of the Council to submit an appointment to the Council for its approval as provided in this section, that appointment shall be made by the Council, by resolution, within 45 days

from the expiration of the 45 day period within which the President of the Council failed to act.

(d) **Removal.** Members of a board or commission, other than the City Ethics Commission, the Police Commission and the Board of Water and Power Commissioners, who are appointed by the Mayor subject to approval by the Council, may be removed by the Mayor without Council confirmation. Members of the Police Commission and of the Board of Water and Power Commissioners may be removed by the Mayor, but a removed member may, within ten calendar days of the removal, appeal the action to the Council. Within ten Council meeting days of receipt of the appeal, the Council may reinstate the commissioner by a two-thirds vote of the Council. Failure of the Council to reinstate the commissioner during this time period shall constitute a denial of the appeal. Action on an appeal shall be by an action separate from the approval of the appointment of a successor to the removed member. Members of the City Ethics Commission may be removed in accordance with Section 700.

Sec. 5. Section 604 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 604. General Managers.

(a) **Appointing Authority.** The board of each Proprietary Department shall appoint the general manager subject to confirmation by the Mayor and Council, unless otherwise provided in the Charter, and shall remove the general manager subject to confirmation by the Mayor. A general manager removed pursuant to the provisions of this section may appeal the removal to the Council in the manner provided in Section 508(e).

(b) **Annual Review.** The board of each Proprietary Department shall evaluate its general manager at least annually and shall set or adjust the compensation of the general manager within guidelines established by Council, after recommendations concerning those guidelines have been made to the Council by the Director of the Office of Administrative and Research Services. The board shall forward a copy of its performance evaluation and salary determination to the Mayor and Council.

(c) **Powers and Duties.** The powers and duties of general managers contained in Section 509 shall apply to general managers of the Proprietary Departments. Additionally, the board of each Proprietary Department may authorize its general manager to contract on behalf of the department where the contract does not involve payment or receipt of money or consideration reasonably valued in excess of a monetary limit provided by ordinance.

Sec. 6. Section 606 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 606. Process for Granting Franchises, Permits, Licenses and Entering Into Leases.

(a) Board action granting franchises, concessions, permits and licenses or approving leases shall be taken by order or resolution.

(b) If the board's order or resolution grants a franchise, permit or license or approves a lease for a term greater than five years, it shall be submitted to Council for its approval or disapproval. The Council may, by ordinance, further define what constitutes a term of more than five years. Unless Council takes action disapproving the franchise, permit, license or lease within 30 days after submission of it to Council, the franchise, permit, license or lease shall be deemed approved. If Council does not approve the franchise, permit, license or lease, Council shall return it to the originating board for reconsideration and resubmission. Any order or resolution granting a franchise for a term of more than five years shall be published once in the same manner as ordinances of the City and shall take effect 30 days after publication. This subsection shall not apply to the Board of Water and Power Commissioners.

Sec. 7. Section 670 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 670. Board of Water and Power Commissioners.

(a) **Composition, Appointment and Removal.** The Board of Water and Power Commissioners shall consist of seven members appointed and removed as provided in Section 502.

(b) **Term.** The members of the board shall serve four-year terms. The terms shall be designated so that as much as possible the terms of office are staggered.

(c) **Qualifications.** In addition to the requirements set forth in Sections 501(d) and (e), members of the board shall meet the following qualifications:

(1) Members of the board shall have general experience in one or more of the following areas: (i) utility management; (ii) water or power policy and operations; (iii) environmental policy; (iv) business or finance; (v) labor relations; (vi) consumer advocacy; and/or (vii) Neighborhood Councils or community organizations.

(d) **Stipend.** Members of the board shall receive a stipend as further provided by ordinance.

Sec. 8. Section 674 of the Charter of the City of Los Angeles is amended to read as follows:

Sec. 674. Power Contracts.

(a) The board shall have the power to contract with the United States or any of its agencies, any state or state agency, and any corporation, public or private, located inside or outside of the City or State of California:

(1) For the construction, ownership, operation, and maintenance of facilities for the generation, transformation, and transmission of electric energy, subject to the following:

(A) Any contract entered into under this subsection may provide for a sharing of the use and benefits and of the capital charges and other obligations associated with the facilities.

(B) The term of any contract entered into under this subsection is not subject to the term limitations specified in Section 607(a) and may extend over the useful life of the facilities constructed, purchased or developed. The board shall notify the Council and Mayor of any proposed contract with a term longer than 30 years prior to board action on any such contract.

(2) For the sale, purchase, exchange or pooling of electric energy or electric generating capacity.

(b) The board may renew, without Council approval, any contract with the United States existing as of December 12, 1940 concerning the delivery of electric energy to the City and the customers of the department from the Hoover Dam electric generating facility.

The Plan shall include a discussion of potential rates and the rate setting process. Once the Plan has been approved by the Council and Mayor:

(1) All policies, projects, programs, and revenue requirements within the parameters of the adopted Plan, including the ability to adjust rates, shall require only board approval unless otherwise provided by the Charter; and

(2) All policies, projects, programs, revenue requirements, or base rate setting that exceed the parameters of the adopted Plan shall require approval by the Council and Mayor unless otherwise provided by the Charter. The Council and Mayoral approval requirement of this subdivision shall not apply to day-to-day operations, operational emergencies or actions of the department necessary to comply with new state or federal laws, unless otherwise provided by ordinance.

(b) The City Council, by ordinance, may further define the policies, projects, programs and revenue requirements that shall be within the parameters of the Plan and shall establish the timelines, procedures, and other requirements for the Plan. (2) The Council, or the Board if authorized as the salary setting authority pursuant to subsection (b), shall make a determination that the provisions of the memorandum of understanding maintain standards that provide for merit based hiring, merit based retention and discharge, equal employment opportunity compliance, and protection from coercion for partisan political purposes; and
