

MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb / sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

The Recreation and Parks Department is coordinating a traffic study at various ingress and egress points, and "community impact zones" around Griffith Park, including the Hollywood Knolls, Beachwood Drive, Canyon Drive and the Oaks, amongst others.

This effort is of special benefit for the residents of the City and for CD-4 and deserves financial assistance from the City.

Sufficient funds are available in the Council District Four portion of the Street Furniture Revenue Fund for this purpose.

I THEREFORE MOVE that \$100,000 in the Council District Four portion of the Street Revenue Fund No. 43D Dept. 50 be transferred /appropriated to the Recreation and Parks Fund 302-89, Account No. 270K (General Capital, Sub-account, Griffith Park-Traffic Study) for a traffic study at various ingress and egress points, and "community impact zones" around Griffith Park, including the Hollywood Knolls, Beachwood Drive, Canyon Drive and the Oaks, amongst others.

I FURTHER MOVE that the Recreation and Parks Department be authorized to make any technical corrections or clarification as necessary to the above instructions in order to effectuate the intent of this Motion.
