Summary: HHPNC believes that a healthy, vital, and transparent democracy is at the foundation of a city that reflects the values of its citizens. However, unlike the City's ban on campaign contributions from companies seeking City contracts, no such ban currently exists for developers seeking City approvals on their potentially-lucrative projects. This amplifies issues such as the lack of affordable housing, and surplus of vacant luxury housing. This is why the Historic Highland Park Neighborhood Council supports Council File Number: 17-0042 to prohibit contributions to City elected officials and candidates from developers with projects that are being considered for approval by the City. A stronger democratic process in LA is possible.

Re: HHPNC support of Council File Number: 17-0042

The Historic Highland Park Neighborhood Council (HHPNC) represents over 60,000 Los Angeles Stakeholders who reside, own property, or conduct business in the neighborhood of Highland Park.

HHPNC believes that a healthy, vital, and transparent democracy is at the foundation of a city that reflects the values of its citizens. However, unlike the City's ban on campaign contributions from companies seeking City contracts, no such ban currently exists for developers seeking City approvals on their potentially-lucrative projects. This amplifies issues such as the lack of affordable housing, and surplus of vacant luxury housing.

This is why the Historic Highland Park Neighborhood Council supports Council File Number: 17-0042 to prohibit contributions to City elected officials and candidates from developers with projects that are being considered for approval by the City.

A stronger democratic process in LA is possible.

Sincerely,

Rocio Rivas, President
Historic Highland Park NC
