SUMMARY

At its regular meeting held on January 19, 2019, the Homelessness and Poverty Committee considered a Proposition HHH AOC transmittal relative to recommendations from the Proposition HHH COC regarding improving the permanent supportive housing process and funding structure.

Representatives of the CAO and HCIDLA addressed the Committee, provided a brief overview of the Proposition HHH COC's recommendations, and responded to related questions from the Committee. During further discussion, the Committee approved an amendment to the recommendations to ensure that development of detailed program regulations for the Competitive HHH Pilot Program also include a provision that units in the proposed projects can allow for more than one person per unit.
