I am not sure if I have the right department but I need to write to express my opposition to the Homeless shelter that is proposed on Topanga Blvd in Chatsworth. It would be disastrous even just the construction due To the heavy traffic on that street not to mention the cost is outrageous and we did not vote HHH in so the money to be wasted on expensive apartments when there are other more cost effective options proposed. Also having it so close to an elementary school when there are other areas open shows little consideration as my daughter was kidnapped and abused by a homeless person and she was 17! Please forward this to the right department and I would Really appreciate a response that they received it

Thanks so much 😊
