Summary: I am submitting this statement of support for this motion on behalf of the EC North Area Neighborhood Development Council Board as an authorized CIS submitter.

On March 2th the NANDC Board unanimously adopted its South and Southeast Los Angeles Community Plan Economic and Workforce Development Comments & Recommendations for submission to Councilman Harris-Dawson (mover) and Councilman Price Jr. This motion is consistent with our fifth recommendation:

- Actively engage in structuring the job skills training opportunities required so that Southeast and South LA residents are prepared to fulfill the majority of the jobs available through the Local Hire Initiatives that will be in place.

Affordable housing is a critical component for building sustainable L.A. neighborhoods because this request is a step in the right direction in order for "people have the opportunity and resources to move up the economic ladder."
