

HOMELESSNESS AND POVERTY

MOTION

On October 15th, 2019, Council approved recommendations to fund certain housing projects for Proposition HHH funding under Round 3 of the Permanent Supportive Housing Loan Program, and withheld one project, Florence Avenue Apartments for a maximum of four weeks for community outreach (C.F. 17-0090-s8). At this time, it is recommended that Florence Avenue Apartments be removed from the list of projects to receive Proposition HHH letters of commitment.

I THEREFORE MOVE that the City Council instruct the Housing and Community Investment Department to remove the Florence Avenue Apartments from the approved list of projects recommended for Proposition HHH funding as identified on Table 2A of the Proposition HHH Administrative Oversight Committee's transmittal dated September 9, 2019, attached to the Council File.
