This letter is an official protest to the attached allegations dated June 30, 2017 here within. All charges should be removed with a balance of zero. All corrections were complete as requested.

Please provide a release and waiver of all fees and notice of completion of all corrections as noted by the inspector.

I trust you understand that I went above and beyond the necessary actions for this mentioned property.

I am a widowed senior citizen and charges of this nature would seriously jeopardize my well being and financial stability.

Thank You
