SUMMARY

On February 14, 2017, Council considered Motion (Cedillo – Buscaino) relative to naming the intersection of Alpine Street and Figueroa Terrace as Eastside Market Square. Motion states that in the early 1920's, there were four Italian Markets within a two block area of Alpine Street in Los Angeles. These markets serviced a predominately Italian immigrant community which adopted the Victor Heights area as an Italian enclave. The Eastside Market is the last remaining original Italian market in the area. While the community has changed, the iconic location at Alpine Street and Figueroa Terrace remains unchanged. Motion movers recommend that Council approve the naming of the intersection as Eastside Market Square. Council referred Motion to the Public Works and Gang Reduction Committee for consideration.

At its meeting held February 27, 2017, the Public Works and Gang Reduction Committee recommended that Council approve Motion.

Respectfully Submitted,
