Council File Number: 17-0226

Agenda Date: 08/21/2018

Item Number: 12

Summary: While there are some individual items contained in this motion we might have agree with, The Rampart Village Neighborhood Council must oppose this motion in its entirety in its current form as our NC find other items problematic. With an additional vote taken on Tuesday, September 18, 2018, (Agenda #9) at a duly held Brown Act General Board Meeting, the RVNC now insists each item contained in council files and to further public vetting of the items contained in the Councilman's motions containing multiple items be separated into differing Council Files so as each issue may be fully vetted, demanded upon and subsequently voted upon. Anything less could be construed as passing off unfavorable items with those items which could be construed as favorable.  
Sincerely, Rampart Village Neighborhood Council
