

ORDINANCE NO. _____

An ordinance finding that the public interest and necessity require the acquisition by eminent domain of property located at 9790 Bellanca Avenue, Los Angeles, California 90045 and bearing Assessor's Parcel Numbers 4125-026-014 and 4125-026-015.

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**

Section 1. The City Council of the City of Los Angeles hereby approves, ratifies and makes the findings and authorizations set forth in Resolution No. 26576 (Resolution) adopted by the Board of Airport Commissioners (the Board) of Los Angeles World Airports (LAWA).

Sec. 2. The City Council finds and determines that:

- a. LAWA is a proprietary department of the City of Los Angeles, a charter city and municipal corporation.
- b. The interests in real property to be acquired consist of: (a) the fee interest in the property as set forth on Exhibit A1 and Exhibit A2; (b) a permanent wall footing easement as set forth on Exhibit B, Exhibit B1 and Exhibit B2; and (c) a temporary construction easement as set forth on Exhibit C, Exhibit C1 and Exhibit C2. Collectively, all interests in real property to be acquired are referred to as the "Subject Property." The Subject Property is located within the City of Los Angeles, County of Los Angeles, State of California.
- c. The public use for which the Subject Property is being acquired is the Landside Access Modernization Program, a public project designed to improve and modernize access to the Los Angeles International Airport (Project).
- d. Pursuant to Code of Civil Procedure Sections 1240.610 and 1240.510, to the extent that the Subject Property is already devoted to a public use, the use to which the Subject Property is to be acquired under the Resolution is a more necessary public use than the use to which the Subject Property is already devoted; or, in the alternative, is a compatible public use which will not unreasonably interfere with or impair the continuance of the public use to which the Subject Property is already devoted.
- e. The notice of intention to approve the Resolution was given by first class mail to the persons whose property is to be acquired by eminent domain in accordance with Code of Civil Procedure Section 1245.235, and a hearing was conducted by the City Council on the matters contained herein.

Sec. 3. The City Council further finds and determines that:

- a. The environmental impacts of the Project were evaluated in the previously adopted LAMP EIR, ENV-2016-3391-EIR. The LAMP EIR was adopted by the Board on March 2, 2017 (Resolution No. 26185), and certified and adopted by the Los Angeles City Council on June 7, 2017. The acquisition of the Subject Property is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Article II, Section 2.i of the Los Angeles City CEQA Guidelines. It is also within the scope of the certified LAMP EIR and does not include any changes to the Project that would require further review under CEQA pursuant to Public Resources Code Section 21166 and CEQA Guidelines Section 15162.
- b. The taking of the Subject Property is authorized by, *inter alia*, Section 19, Article I of the California Constitution; Sections 37350.5 and 40404(f) of the California Government Code; Public Utilities Code Section 21661.6; the Los Angeles City Charter Section 632(c); California Code of Civil Procedure Section 1230.010, et seq.; and all other applicable law as set forth herein.

Sec. 4. The City Council further finds and determines that:

- a. The public interest and necessity require the Project.
- b. The Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
- c. The Subject Property sought to be acquired by eminent domain and described in the Resolution is necessary for the proposed Project.
- d. The offer required by Government Code Section 7267.2(a), together with the accompanying statement and summary of the basis for the amount established as just compensation, was actually made to the owners and was in a form and contained all of the factual information required by Government Code Section 7267.2(a).
- e. The requisite environmental review of the Project and the acquisition of the Subject Property have been completed in accordance with CEQA.

Sec. 5. The City Council approves the Resolution and the exercise of eminent domain by LAWA in accordance with Charter Section 632(c).

Sec. 6. The City Attorney is hereby authorized and directed to take all steps necessary to commence legal proceedings, in a court of competent jurisdiction, to acquire the Subject Property by eminent domain, subject to approval by the Board when required. The City Attorney is also authorized to seek and obtain an Order for

Prejudgment of Possession of the Subject Property in accordance with eminent domain law. The City Attorney may enter into Stipulated Orders for Prejudgment Possession and Possession and Use Agreements, where such agreements constitute the functional equivalent of an Order for Prejudgment Possession. The City Attorney is further authorized to correct any errors or agree to make any non-material changes to the legal description of the Subject Property that are deemed necessary for the conduct of condemnation action or other proceedings or transactions required to acquire the Subject Property. The City Attorney is further authorized, subject to approval by the Board when required, to compromise and settle such eminent domain proceedings, if such negotiated settlement can be reached, and in that event, take all necessary action to complete the acquisition, including entering into stipulations as to the judgment and other matters, and to cause all such payments to be made.

Sec. 7. The Chief Financial Officer of LAWA, upon proper certification and instruction from the Chief Executive Officer and City Attorney, is authorized and directed to draw demands in the amounts necessary to make deposits of just compensation with the California State Treasurer's Office in connection with the eminent domain proceedings and/or pay the purchase price for the acquisition of the Subject Property through negotiated settlement or court judgment.

EASEMENT DEED

Grant of Permanent and Non-Exclusive Wall Footing Easement

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, Sandra Amburgey, Robert Hutting, Jr., Trustee of the Hutting Family Trust, and Anna M. Hutting, Trustee of the Hutting Family Trust (collectively, "**Grantors**") do hereby GRANT and CONVEY to the City of Los Angeles, a municipal corporation, acting by order of and through its Board of Airport Commissioners ("**Grantee**"), and its successors and assigns, a permanent and non-exclusive wall footing easement ("**Wall Footing Easement**"), over, above, on, under, in, across, along and through that certain portion of Grantor's real property located in the City of Los Angeles, County of Los Angeles, State of California, more particularly described in the legal description attached hereto as EXHIBIT "B1" and depicted or illustrated on the map or drawing attached hereto as EXHIBIT "B2" and incorporated herein by reference ("**Easement Area**"), for the purpose of all necessary and convenient activities associated with the construction of the Landside Access Modernization Program ("**Project**").

Within the Easement Area, the easement rights granted in, under and pursuant to this instrument shall include the right to use the Wall Footing Easement to construct, use, maintain, repair, replace, improve, alter, relocate, and inspect footing and appurtenances of a retaining wall that will be constructed by Grantee within property being acquired in fee by Grantee, and located adjacent and contiguous to the Easement Area.

The Easement rights granted in, under and pursuant to this instrument and the rights of Grantee in, under and pursuant to this instrument shall include without limitation the right to reasonably access the Easement Area for all purposes associated with the Wall Footing Easement, which activities may include, but are not be limited to, trimming, cutting or clearing away from the Easement Area any trees, brush, and vegetation. In addition, Grantee shall have the right in its sole and absolute discretion to remove improvements within the Easement Area without payment of additional compensation. However, Grantee shall restore and/or replace any and all curb, gutter, hardscape and landscaping improvements that it removes.

EXHIBIT "B" – Permanent Wall Footing Easement

The Wall Footing Easement shall impose the following restriction on the Grantor and its heirs, assigns and successors, including Grantor's land/real property of which the Easement Area is part (and, as such, the restriction shall run with the land): Grantor, its heirs, assigns, and successors shall not erect or construct or permit to be erected or constructed, any building, structure, or vertical improvement on, over, or under any portion of the Easement Area without the written consent of Grantee, its successors, and assigns. Absent written consent of Grantee, Grantor may solely improve the Easement Area with curbs, gutters, hardscaping and/or landscaping.

Grantee shall have the right to transfer, assign and/or convey the Wall Footing Easement, including without limitation any interest therein and/or in whole or in part, to successors and/or assigns, including without limitation other governmental agencies.

The covenants contained in this Instrument, including without limitation any restrictions set forth above, shall run with the land.

IN WITNESS WHEREOF, Grantor has caused this Instrument to be executed on the date set forth below.

EASEMENT DEED

Grant of Temporary Construction Easement

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which is hereby acknowledged, Sandra Amburgey, Robert Hutting, Jr., Trustee of the Hutting Family Trust, and Anna M. Hutting, Trustee of the Hutting Family Trust (collectively, "**Grantors**") do hereby GRANT and CONVEY to the City of Los Angeles, a municipal corporation, acting by order of and through its Board of Airport Commissioners ("**Grantee**"), and its successors and assigns, a temporary and exclusive construction easement ("**Temporary Construction Easement**"), over, above, on, under, in, across, along and through that certain portion of Grantor's real property located in the City of Los Angeles, County of Los Angeles, State of California, more particularly described in the legal description attached hereto as EXHIBIT "C1" and depicted or illustrated on the map or drawing attached hereto as EXHIBIT "C2" and incorporated herein by reference ("**TCE Area**"), for the purpose of all necessary and convenient activities associated with the construction of the Landside Access Modernization Program ("**Project**").

The purpose of the Temporary Construction Easement includes without limitation the provision of working space for the grading and excavation associated with retaining wall, curb, gutter, sidewalk, drainage, landscaping and striping improvements. The retaining wall, curb, gutter, sidewalk, and drainage improvements will all be located adjacent to Grantor's real property and within property that will be acquired by Grantee.

The Temporary Construction Easement shall continue for a period of twenty-four (24) months. Construction within the TCE Area and the term of the Temporary Construction Easement shall commence seven (7) days from the date upon which Grantee or its authorized representative provides Grantor with written notice of Grantee's intent to commence utilization of the Temporary Construction Easement and, unless extended, it shall terminate on the earliest of (a) the date upon which Grantee notifies Grantor that it no longer needs the Temporary Construction Easement, (b) twenty-four (24) months from the commencement date of the Temporary Construction Easement, or (c) January 31, 2021 ("**Expiration Date**").

EXHIBIT "C" – Temporary Construction Easement

Grantee's use of the Temporary Construction Easement shall be subject to the following provisions: (a) during construction, reasonable vehicular and pedestrian access, including fire and other emergency access to the property, will be maintained at all times; (b) the TCE Area will be protected, maintained and kept reasonably free of trash and loose debris during construction to attempt to ensure that the visual identity and character of the adjacent property is not impacted by the construction activities within the TCE Area; (c) a six-foot high temporary fence will be erected during construction and maintained; (d) subject to the direction of the County of Los Angeles, an existing 108-inch RCP storm drain shall either be appropriately abandoned in place or appropriately removed by Grantee; and (e) while on the TCE Area, Grantee will comply with all applicable laws, rules, and regulations as well as, to the extent commercially reasonable and practicable, best construction practices, including compliance with City of Los Angeles Noise Ordinance requirements.

Prior to the Expiration Date, Grantor shall not, without the express prior written consent of Grantee (which may be granted or withheld in Grantee's sole and unfettered discretion), erect, place, or maintain any improvement, or undertake any other activity, over, above, on, under, in, across, along, through or about the TCE Area or which may interfere with Grantee's use of the TCE Area, including, without limitation, the erection of any building, wall, fence, structure or other improvement within the TCE Area.

Prior to the Expiration Date, Grantor shall also not grant or dedicate any easement, right or other interest in, to, on, under or over the TCE Area without obtaining the prior written consent of Grantee, which may be granted or withheld in Grantee's sole and unfettered discretion.

At the expiration of the Temporary Construction Easement, Grantee or its authorized agent(s) shall, subject to reasonable wear and tear, restore the TCE Area to a condition as near as practicable to finished dirt grade conditions with surface elevations consistent with the existing grading of the surface parking area immediately adjacent to the TCE Area. The restoration shall also include return to natural grade, the installation of a permanent PCC driveway approach, and the installation of an 18-inch diameter RCP storm drain pipe. Grantee shall not, however, be required to restore any other changed condition or circumstance not resulting from Grantee's operations, negligence or grater fault, to the pre-existing condition.

EXHIBIT "C" – Temporary Construction Easement

The covenants contained in this Instrument shall run with the land.
