Hello !

It's 3:00am again and sleep is obviously overrated

Here's my input on the following items from the agenda.

Hope you all are having a nice morning :)

Korie Schmidt

Item 1 - File# 17-0276-S2

**Eminent domain acquisition of 9200 Aviation Blvd.**

I would be ok with this, but I most definitely oppose this because I'm tired of seeing that nothing meets environmental standards.

Item 2 - File# 18-0907

**Those activated to national guard etc get regular city pay.**

Yes.

Item 3 - File# 18-1207

**Funding for outside counsel.**

Yes.

Item 5 - File# 18-1183

**Retention of outside counsel.**

Sure.

Item 6 - File# 18-1241

**Port of LA Foreign Trade Zone w Chevron.**

I oppose this. I'm tired of administrative exemptions from environmental law. Especially since they're only paying \$10.50 per acre per year for rent. wtf

Item 7 - File# 19-0021

**United Airlines lease at LAX.**

Yes.

Item 8 - File# 16-1296

**LAX property management services.**

Yes.

Item 9 - File# 15-1312

**LAX Flyaway service to Hollywood/LBC/Westwood.**

Yes.

Item 10 - File# 14-1229-S4

Item 11 - File# 18-1167

Item 12 - File# 18-0569

**Superintendent of Building exempt from civil service.****Project coordinators exempt from civil service.****Assistant Director of Sanitation exempt from civil service.**

Why are they exempt from civil service ? I oppose this. I keep seeing these float by. So they're not being chosen based on merit ?

Item 13 - File# 18-1230**Airport Service Quality survey.**

Yes.

Item 14 - File# 18-0847**Arts Manager position at LAX.**

So what's goody with that Art Director position ? Noone ever pointed me in the right direction to fill out an application or whatever is needed to fill the position.

Item 15 - File# 18-0900-S131

Item 16 - File# 18-0900-S132

Item 17 - File# 18-0900-S134

Item 18 - File# 18-0900-S135

Item 19 - File# 18-0900-S136

**Street Lighting Districts.**

I oppose this motion if it entails 5G cell transmitters without any protection. I require omni-directional EMF monitors that display amplitude, direction, and wavelength of those frequencies emitted from each transmitter. I also require these readings to be charted over time in a histogram that can be accessed for free by the public for private enforcement of responsible use of potentially lethal technology.

Item 21 - File# 19-0062**Housing and Community Investment Department meeting in Tom Bradley Room.**

Yes.

Item 22 - File# 19-0063**\$23M to finance 7507 Simpson Ave. into 83-units.**

Yes.

Sounds like it's that same street on Runnymede that is being transferred to that Trust from yesterday's meeting.

Item 23 - File# 19-0064

Item 24 - File# 13-0834-S3

**4 street improvement projects.****Street banners for community programs and activities.**

Yes.

Item 25 - File# 14-0045-S5**Waiving room rental fees for Glamour and Gowns.**

Yes.

Item 26 - File# 19-0065**Enforcement, First Amendment permits, and Hollywood walkability.**

Yes.

Item 29 - File# 17-1365-S4**Fund add'l police services in CD12.**

What is necessitating additional police services here ? How are we outside the budget ? I'm not opposed to this but I definitely want to know the answer to these questions first.

Item 30 - File# 15-0957-S4

**LAPD party car.**

Yes. Is this along the lines of "party bus" ?

Item 31 - File# 19-0057

**Special reception for City Clerk in Tom Bradly Room.**

Sure. I support this.

2442 Barry Ave.  
Los Angeles, Ca 90064
