1. Adopt the determination by said Board that any activity (approval of bids, execution of contracts, allocation of funds, etc.) for which the underlying project has previously been evaluated for environmental significance and processed according to the requirements of the California Environmental Quality Act (CEQA) is exempt from further review pursuant to Article II, Section 2.i of the Los Angeles City CEQA Guidelines. The Los Angeles International Airport (LAX) Landside Access Modernization Program (LAMP) Environmental Impact Report (EIR) [ENV-2016-3391-EIR] was certified by said Board for this Project on March 2, 2017 (Resolution 26185), and certified and adopted by the Los Angeles City Council on June 7, 2017. The action requested here is within the scope of that certified EIR and does not include any changes to the LAX LAMP project that would require further review under CEQA pursuant to Public Resources Code § 21166 and CEQA Guidelines § 15162.
2. Further adopt the attached Resolution of Necessity (26576) as adopted by said Board on August 16, 2018 making all necessary findings and requesting the City Council to authorize commencement of eminent domain proceedings to acquire portions of the property located at 9790 Bellanca Avenue in Los Angeles for LAX LAMP.
3. Further adopt the final ordinance to be prepared and transmitted by the City Attorney that approves the Resolution of Necessity.

Very truly yours,

Grace Miguel – Commission Executive Assistant II
