I am so sorry Melissa that I am unable to make this important meeting. I scheduled the surgery beginning of December. I tried to reschedule but will have to pay a cancellation fee and I would have to wait another two months to reschedule :(

Hi there,

Yes, Darlene and I are in the same situation on Tuesday as she has a

scheduled surgery that I will be taking her to and from. She really wants to attend the City Council vote if possible, thank you once again for keeping us in the loop throughout this process.

Sincerely,
Dean
