I understand there is a resolution to pass to free Billy to a sanctuary from the LA zoo, where he is not living a normal life for an elephant. I am asking you to please allow him to spend what is remaining of his life in a natural environment, where he is able to exercise and interact with other elephants.

As you may know, he is now displaying signs of stress and is in a very tight and unnatural enclosure for him.

There are not very many elephants left on earth, I hope you'll help us give them some sense of freedom, while they are still with us.

thank you.

Karen
