Please add this email and the attached file of screen captures of Beachwood and Hollywood DASH buses taken at 5 minute intervals operating on Franklin Avenue to council file 17-0531.

The Beachwood DASH was able to complete only 7 of the 10 scheduled runs between 3:52 pm and the end of service and was not able to operate on time due to the excessive traffic congestion caused by the cumulative impacts of the many projects on Franklin Avenue that have never been studied via an EIR.
