RE: Council File No. 17-0537

## To Whom It May Concern:

As a homeowner on Matteson Ave. in Mar Vista, I enjoy the look and "feel" of our neighborhood. My family opposed to the proposed development at 12440-12492 Venice Boulevard.

At this time there is a lot of traffic congestion on Venice Blvd and on Centinela Ave. I see people park on M from other streets that don't have the parking for the people living in apartment buildings. This in turn causes my street and a potential hazard to the children who live on this street. Even now, they are finishing a large apartment building on the corner of Matteson and Wade. To me there doesn't seem to be a need for another apartment building in this neighborhood.

Again, my family and I are opposed to this project.

Sincerely,

The Jones Family, John, Carolyn and Lucinda
