Summary:

On December 4, 2019, your Committee considered a November 1, 2019 Personnel Department report relative to implementation, benchmarks, and hiring goals for the TLH and Strategic Workforce Development Task Force. According to the Personnel Department, in May 2017, as part of the Fiscal Year (FY) 2017-18 budget hearings and deliberations, Council instructed the Personnel Department to provide a report back to the PAW Committee with specific implementation, benchmarks and hiring goals for the TLH and Strategic Workforce Development Task Force. During the August 2, 2017, PAW Committee meeting, the Personnel Department offered to research and include a comparison of the number of employees hired through other civil service processes to the number hired through the TLH Program's alternative pathway to civil service in the six entry-level classifications utilized by the TLH program. On September 20, 2017, the Personnel Department reported on citywide utilization of the TLH program and provided a comparison of TLH Program Hires vs. Other Civil Service Hires and agreed to continue to provide updates regarding TLH utilization. In the November 1, 2019 report, the Personnel Department noted that during the First Quarter of Fiscal Year 2019029, 63 percent of Citywide hires into the 11 classifications used by TLH were hired through TLH. After consideration and having provided an opportunity for public comment, the Committee Chair moved to note and file the November 1, 2019 Personnel Department report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
