CITY ATTORNEY

REPORT NO. R 17 - 0 1 8 3  
MAY 23 2017

REPORT RE:

**BUDGET RESOLUTION FOR FISCAL YEAR 2017-2018**

The Honorable City Council  
of the City of Los Angeles  
Room 395, City Hall  
200 North Spring Street  
Los Angeles, California 90012

Honorable Members:

Attached, approved as to form and legality, is a budget resolution prepared by the City Administrative Officer (CAO) and the Chief Legislative Analyst (CLA), with the assistance of the City Attorney, for the purpose of adopting a budget for the City of Los Angeles for Fiscal Year 2017-2018, beginning July 1, 2017.

Charter Section 313 requires that if the City Council modifies the budget, the Council shall return the budget as modified to the Mayor on or before June 1, 2017. If the Council fails to return the modified budget to the Mayor on or before June 1, 2017, the Mayor's proposed budget will become the budget for Fiscal Year 2017-2018. As contemplated in Los Angeles Administrative Code (LAAC) Section 5.31, the Council may adopt a budget resolution to meet the Charter Section 313 requirement. Additionally, the budget resolution incorporates the provisions of Division 5, Chapter 2, Article 6 of the LAAC as these provisions relate to appropriations made by virtue of adoption of the General City Budget

The budget resolution reflects the May 18, 2017, action of the Council in adopting the report of the Budget and Finance Committee, as amended and the Council instructions to staff.

Paragraph No. 2 of the budget resolution requires that a determination be made pursuant to Charter Section 1022 for all new contracts listed in the supplemental schedules of the budget or any new contracts proposed during the fiscal year. In certain cases, the Council makes the determination, and in other instances the determination is delegated. This paragraph also requires that before a contract is initiated, the awarding authority must request the Personnel Department to determine whether existing position classifications can perform the proposed work. Other required procedures are explained in Paragraph No. 2.

In Paragraph No. 6 of the budget resolution, the Council, as authorized under Section 3 of Chapter 927 of the California Statutes of 1968, authorizes and directs the Controller to file claims and to take all steps necessary to obtain replacement of revenue lost by operation of the Revenue and Taxation Code.

Paragraph No. 11 of the budget resolution instructs the City Attorney, with the assistance of the CAO and other City departments and offices as necessary, to prepare and present to the Council no later than June 30, 2017, those ordinances necessary to implement the final decisions of the Mayor and the Council on the 2017-18 Budget. The City Attorney's Office will prepare and transmit these ordinances under separate cover. The ordinances that effectuate fee increases require a special notice and hearing pursuant to Proposition 218 and/or Government Code Section 66000, *et seq.*, in addition to the notice and public hearing the Brown Act requires, which may delay action by your Honorable Body to a date beyond June 30, 2017. Prior to bringing these ordinances before you for adoption, the City Clerk will notice the necessary public hearings, which you or your Committees will conduct. The remainder of the budget ordinances may be heard and adopted immediately, in conformance with the notice and public hearing requirements of the Brown Act.

Paragraph No. 14 of the budget resolution appropriates certain funds at the close of the 2017-2018 Fiscal Year to the Article XIII B, Section 5, Special Fund, and includes instructions to the controller. The effect of this is to provide for the transfer of year-end balances by means of the budget resolution rather than a separate and special Mayor/Council action at the end of the fiscal year.

Very truly yours,

MICHAEL N. FEUER, City Attorney

By

STREFAN FAUBLE  
Deputy City Attorney

BE IT FURTHER RESOLVED, that the items and total of the budget recommended and submitted by the Mayor, as modified by this Council, be adopted, stating the estimated amounts of money required to conduct the City government for the fiscal year commencing July 1, 2017 and ending June 30, 2018, including the estimated sums required to pay maturing portions of principal on bonded indebtedness, to pay interest at maturity dates, to maintain the necessary sinking funds to meet these obligations, and the estimate of revenue to be received during the fiscal year. The Controller is hereby authorized and instructed to make these changes in the proposed budget as are necessitated by the above modifications. The Office of the City Administrative Officer and the City Controller are hereby authorized and directed to correct any clerical, typographical, technical or printing errors in the budget consistent with the actions of Council in adopting the 2017-18 Budget.

1. Section 2 of the budget includes the estimated amounts of money required to pay the interest, maturing portion of the principal at respective maturity dates, and to maintain a sinking fund for the bonded indebtedness of the City of Los Angeles and to pay the expenses of conducting the business of City government, including the money required to be set aside for specific purposes by City ordinance, City Charter or State law; that the amount of money so required and the items in detail allowed to each department, officer, board, or fund of the City of Los Angeles is hereby fixed as allowed in this budget, and all these items are hereby appropriated to the departments and purposes

indicated and made subject to expenditure under the provisions of the Charter, and, in addition, subject to the provisions, where applicable, of the expenditure programs prepared or amended and filed as provided in Los Angeles Administrative Code Sections 5.26-5.31, the provisions of which are incorporated by reference; provided however, that all appropriations in excess of the amount indicated as coming from the General Fund are to the extent of the excess, conditional and made contingent upon receipt of moneys in the special purpose fund indicated. Provided further, however, that the amounts shown as Charter appropriations are presented as estimates and are subject to adjustment to conform to the provisions of the Charter governing the appropriations; and notwithstanding the amounts shown in these items, the maximum amount appropriated here to these purposes and departments shall be the amount appropriated for that purpose by the Charter.

2. A determination under Charter Section 1022 shall be required for all new contracts listed in the Supplemental Schedules of the 2017-18 Budget or any proposed during the fiscal year. The Council and boards of commissioners having control of their own revenues and funds shall have the authority to make this determination. In the case of personal services contracts, the authority to make this determination shall be delegated to the Office of the City Administrative Officer and the Personnel Department. Prior to initiating the contract process, the awarding authority shall request a determination from the Personnel Department regarding whether existing position classifications can perform the proposed work. If existing classifications can perform the work, the proposal must be submitted to the Office of the City Administrative Officer for a determination regarding whether it would be more feasible or economic to contract for the proposed work. Written reports of these determinations shall be transmitted to the requesting awarding authority. The awarding authority shall attach a copy of these determinations to the contract that is transmitted to the City Attorney for review and approval as to form. For any service that is currently provided by City employees and is proposed to be “privatized,” no bid, request for proposal, request for qualifications or request for information shall be released until the contracting solicitation is first reviewed and approved by Council pursuant to Council File No. 93-2195-S1.

3. All requisitions, purchase orders, interdepartmental orders, rental of equipment or other encumbrances upon any account or appropriated item of any department shall be clearly recorded against the amounts available, both as to number of items and total amount and also subject to the provisions, where applicable, of the expenditure programs prepared or amended and filed as provided in Los Angeles Administrative Code Sections 5.26-5.31, in such a way that there shall never be an overencumbrance or an overexpenditure or a departure from the expenditure program upon any of these accounts or appropriated items, and so the full number of articles set forth and enumerated in the budget or subsequent appropriation can be purchased or acquired out of the amounts appropriated for those purposes. A detailed list of the equipment items shall be furnished to the Purchasing Agent by the Office of the City Administrative Officer to provide for economical expenditure of City funds and other advantages resulting from a planned procurement program. All travel for which funds have been appropriated in this budget will be governed by an authorized travel list, which

shall be furnished to the Controller by the Office of the City Administrative Officer in accordance with Council policy.

4. For the purpose of the budget, the total amount provided for salaries is considered the appropriated items for all salaries except that where separate accounts are shown, the amount of each account shall be considered a separate appropriated item. The item "overtime" shall, for the purposes of the budget, be deemed and construed a separate item and shall not become a part of the general salary items except upon lawful transfer pursuant to the provisions of the Charter.

5. The Controller is requested, in preparation of the final budget, to change the names of capital improvement projects to reflect the new names, if any, adopted by the Council subsequent to the preparation of the budget.

6. The City Council, acting under Section 3 of Chapter 927 of the Statutes of 1968, hereby authorizes and directs the City Controller to file the claims and take all steps required to obtain the replacement of revenue lost by operation of Section 988 of the Revenue and Taxation Code, or of other sections of the Revenue and Taxation Code that empower the City to make claims based on revenue losses due to State exemptions.

7. The omission of an amount opposite any line presented within any one of the account segregations of this budget or the omission of the item itself shall not be a bar to either subsequent appropriation to the item or items if contingencies arise, the appropriations to be made as the Charter provides.

8. In furtherance of the Council policy adopted on January 7, 1971, under Council File No. 70-1487, no funds shall be expended for design on capital improvement projects not authorized by the Council and the Mayor.

9. In accordance with Charter Section 320 and Los Angeles Administrative Code Section 5.27, department heads are instructed to expend funds only in conformance with the approved departmental expenditure programs, or as modified thereafter. In accordance with generally accepted accounting principles (GAAP), where necessary, the budgetary level of detail may be expressed by object categories such as "Total Salaries," "Total Expenses," "Total Equipment," and "Total Special" to reflect that which is contained in the departmental expenditure programs.

10. The "Tentative List" of construction projects in the General Services Department, as set forth in the Detail of Department Programs to the 2017-18 Budget, together with any modifications of these projects, which are approved prior to adoption of the budget, is part of the budget and is the "Approved List," subject to further modification on or before July 15 by submission of a "Final List" by the Office of the City Administrative Officer with the assistance of the General Services Department, in accordance with the Council's action adopted February 9, 1977, under Council File No. 76-4846.

11. The City Attorney, with the assistance of the Office of the City Administrative Officer and other City departments and offices as necessary, is requested to prepare and present to the Council by June 30, 2017 those ordinances as may be needed to implement the final decisions of the Mayor and the Council on the 2017-18 Budget.

12. In preparing the Departmental Personnel Ordinances for 2017-18, the Office of the City Administrative Officer and the City Attorney shall include in the ordinances the necessary changes in positions to reflect the final action on the City Budget.

13. The Office of the City Administrative Officer is directed to prepare and present to the City Council, on a timely basis, a report setting forth the necessary appropriations limit calculations and the City Council, at a duly noticed meeting, as provided by Government Code Section 7910, shall establish the appropriations limit and other determinations for 2017-18. Documentation used in the determination shall be made available to the public at least 15 days before any City Council meeting discussing this issue. These calculations shall reflect the final decisions of the Mayor and City Council on the 2017-18 Budget and the appropriations limit shall be placed in the final printed budget.

14. The Council hereby transfers and appropriates to the California Constitution, Article XIII B, Section 5, Special Fund, and the Controller is instructed to implement that action at the close of business on June 30, 2018 as follows:

- a. Appropriate all funds in the various items in the Unappropriated Balance at the close of business on June 30, 2018, to the Article XIII B, Section 5, Special Fund.
- b. Appropriate all General Fund revenues in excess of budget requirements at the close of business on June 30, 2018, to the Article XIII B, Section 5, Special Fund.
- c. Appropriate all special purpose fund revenues in excess of budget requirements at the close of business on June 30, 2018, from the revenue sources listed below to the Article XIII B, Section 5, Special Fund:

  - (4) Proposition C Anti-Gridlock Transit Improvement Fund.

- (5) Telecommunications Development Account of the Telecommunications Liquidated Damages and Lost Franchise Fee Fund.
- (6) Special Fire Safety and Paramedic Communications Equipment Tax Fund.

15. The City Council hereby reappropriates the unencumbered balances remaining in each of the following Funds and Accounts in the same amounts and into the same accounts in these Funds as exist on June 30, 2017, and directs the City Controller to take all necessary steps to accomplish this action: Fund No. 100-28; Fund 100-30, Account 9699; Fund 100-40, Accounts 1014, 1097, 1101, 1191, 1121, and 3180; Fund No. 100-46; and Fund 100-56, Accounts 0306, 0501, 0829, and 0832. For amounts reverted by Fund No. 100-40 Accounts 1014, 1097, 1101, 1191, 1121 and 3180, the City Council also hereby returns any uncommitted Special Fund balances for completed projects back to the Special Fund Project account as indicated in the authorizing Council File and authorizes the City Controller to take all necessary steps to accomplish this action.

16. All computer hardware and software material for the City departments and offices provided for in the 2017-18 Budget shall only be purchased by or with the approval of the Information Technology Agency in cooperation with the Purchasing Agent as prescribed by the Charter.

17. The Council directs City Managers to ensure that fees collected do not exceed the cost to provide services and directs the City Administrative Officer to monitor fees and periodically recommend adjustments as needed.

# HOMELESS BUDGET

## BASIS FOR THE 2017-18 BUDGET

The 2017-18 Proposed Budget for homeless-related expenditures relates to current year funding as follows:

	General Fund	Special Funds	Total	% Change
2016-17 Adopted Budget	\$ 59,329,856	\$ 73,392,139	\$ 132,721,995	
2017-18 Proposed Budget	<b>\$ 40,178,286</b>	\$ 93,776,162	<b>\$ 133,954,448</b>	
Change from 2016-17 Budget	<b>\$ (19,151,570)</b>	\$ 20,384,023	<b>\$ 1,232,453</b>	0.9%

The Homeless Budget provides funding for the provision of housing and services to homeless individuals and families in the City. Items funded as part of the Homeless Budget are included within the individual budgets for the Los Angeles Homeless Services Authority (LAHSA) and City departments. In 2016-17, the City increased funding to LAHSA on a one-time basis to initiate implementation of the City's Comprehensive Homeless Strategy. The reduction in funding is expected to be offset by an increase in funding to LAHSA from Measure H proceeds for homeless services within the City.

The 2017-18 Special Fund amount includes the Proposition HHH (Prop HHH) Permanent Supportive Housing (PSH) Loan Program and the Prop HHH Facilities Program that were established as a result of Prop HHH to fund the improvement or acquisition of real property for permanent supportive housing units and facilities for the chronically homeless, homeless, and those at-risk of homelessness. On November 8, 2016, voters approved Prop HHH on the State's General Election ballot. Prop HHH provides the City with authority to issue up to \$1.2 billion in General Obligation (GO) bonds to finance the development of permanent supportive housing, affordable housing and facilities. PSH units will be financed to house chronically homeless and homeless households. PSH is housing combined with services, which may include mental and health services, drug and alcohol treatment, and education and job training. In accordance with Prop HHH, 80 percent of the GO bond proceeds are targeted for PSH units and facilities, and no more than 20 percent of the bond proceeds may be used for affordable housing, including veterans and housing for extremely low-income, very low-income, or low-income individuals and families, who are at risk of homelessness. GO bond proceeds will fund facilities that provide services to the homeless, such as service centers, health centers, shelters, storage, and shower facilities. Bond proceeds may only be used for "bricks and mortar" (capital), not operations or services.

**As part of the 2017-18 Adopted Budget, Council provided for \$5,173,250 in bridge funding and savings reallocation for various LAHSA programs to be funded by LAHSA savings from 2016-17. Upon receipt of Measure H funds, LAHSA will return \$4,173,250 to the City. Additionally, a \$643,928 Reserve Fund Loan was authorized to LAHSA through the Housing and Community Investment Department General Fund Program Fund 10A for cash flow purposes, which will be reimbursed once Measure H funding is received.**

Prop HHH FY 2017-18 Bond Issuance	
Prop HHH Permanent Supportive Housing Loan Program	\$ 75,875,162
Prop HHH Facilities Program	\$ 12,004,219
<b>Total</b>	<b>\$ 87,879,381</b>

## LOS ANGELES HOMELESS SERVICES AUTHORITY

The Los Angeles Homeless Services Authority (LAHSA) is a Joint Powers Authority created and designated by the City and County of Los Angeles to act on behalf of both entities to address homelessness. LAHSA is a direct administrator of publicly-funded homeless programs throughout the Los Angeles region. LAHSA advises and participates in the framing of major public programs that affect people experiencing homelessness.
