## **COMMITTEE TRANSMITTAL: APPROVAL OF THE CITY OF LOS ANGELES YEAR 18 WORKFORCE DEVELOPMENT BOARD ANNUAL PLAN FOR PROGRAM YEAR JUNE 30, 2017 THROUGH JUNE 30, 2018, TO PROVIDE EMPLOYMENT SERVICES TO BUSINESSES AND JOB SEEKERS**

### **DEADLINE FOR ACTION**

The General Manager of the Economic and Workforce Development Department (EWDD) and the Chair of the Workforce Development Board (WDB) respectfully submit this transmittal for your review and approval. Approval of this item is requested no later than June 30, 2017, to ensure the uninterrupted provision of services to City residents.

### **BACKGROUND**

The Year 18 WDB Annual Plan (Annual Plan) for Program Year 2017-18 establishes the priorities, strategies, budget and policies for the City's Workforce Development System (WDS). The Annual Plan is developed by the Economic and Workforce Development Department under the governance of the City of Los Angeles Workforce Development Board (WDB), City Council, and Mayor.

Last year, the WDS, through a comprehensive network of workforce service providers, educators, employers, and other strategic partners, served 93,463 Angelenos and assisted 44,718 in finding employment (Source: CalJOBS<sup>SM</sup>). The WDS also re-engaged more than 5,600 disconnected youth into education and/or employment.

As the Los Angeles regional economy continues to recover from the Great Recession, nearly reaching pre-recession unemployment levels, labor market and demographic data for the region continues to reflect an uneven recovery in which large segments of the labor market such as low-income, English Language Learners, single mothers, disconnected youth, and individuals without a post-secondary education or training, continue to face significant challenges in accessing “good” jobs. Income inequality is particularly pervasive for men and women of color, with gender and racial wage gaps at every level of educational attainment.

## **LONG TERM STRATEGIC GOALS**

Building a more equitable labor market that provides economic opportunities for all Angelenos while meeting the growing demand of our region’s employers is a challenge that our WDS must prioritize through this Annual Plan. The WDS is committed to developing goals and strategies that embrace the principles of a high-road economy that competes on the basis of innovation, quality, and high skills rather than low wages, contingent employment, and low or no benefits.

The WDS will continue to improve and target workforce services to individuals lacking economic opportunity through its long-term strategic initiatives and specific annual objectives, consisting of the following goals:

1. Strengthen connections with major economic drivers in the region;
2. Strengthening Industry Sector Strategies;
3. Target vulnerable populations with a geographic focus;
4. Address homelessness with more employment opportunities;
5. Focus on the reentry population;
6. Focus on disconnected youth; and
7. Alignment of City and Regional Planning efforts (Los Angeles Regional Plan, Local Plan, WDS Annual Plan, and Performance Partnership Pilot (P3) Strategic Plan

## **FUNDING RESOURCES**

The City has developed the proposed WDS service strategies, activities, and budget for the Annual Plan from various federal, state formula, competitive grants and other workforce allocations: Adult, Dislocated Worker, Youth, Rapid Response and the projected prior year carryover of Workforce Innovation and Opportunity Act funds.

The City will receive \$38.8 million in Workforce Innovation and Opportunity Act (WIOA) Adult, Dislocated Worker, and Youth formula funds from the State for Program Year 2017-18, as detailed under *Tab 5 - Budget*. The estimated funding allocation for Rapid Response is \$1.1 million. In addition to these formula allocations, the City plans on

receiving additional non-WIOA funds and other competitive awards amounting to \$21.0 million.

Each year, the City develops and presents a report that provides information on carryover monies (allocated yet unexpended WIOA and other workforce development-related program funds from prior years). The City anticipates a carryover amount of \$7.0 million composed of both WIOA formula and other workforce development-related grants. Total funding available for WDS activities is projected at \$67.8 million. Although not currently reflected in this plan, the City anticipates receiving additional funds through competitive grant applications, which will expand the capacity of the WDS to serve a greater number of targeted populations. Any additional competitive awards will be reported jointly to the WDB, the City Council, and the Mayor.

The WIOA Title I Formula Funds represent the primary source of funding for the City's WDS, accounting for 66 percent of its revenue. These funds provide the funding base for both the City's Adult WorkSource and YouthSource programs. The Adult programs provide training and job placement assistance. The Youth programs reconnect youth and young adults to education, provide basic skills remediation, and prepare them to enter post-secondary education or the labor market.

The Annual Plan proposes a balanced budget for PY 2017-18. Projections for new WIOA Title I Formula Funds and carryover revenue are summarized below:

#### **Workforce Innovation and Opportunities Act Formula Funding**

	<b>PY 2016-17 WIOA Funds</b>	<b>PY 2017-18 WIOA Funds (*Projected)</b>	<b>Difference</b>
Adult	\$14,785,934	\$14,225,786	(\$560,148)

Youth	\$14,347,624	\$15,668,846	\$1,321,222

\*Funds are estimated. This table does not include other grant funding and other non-WIOA grants.

## **FISCAL IMPACT**

The recommendations contained in this report involve the allocation of approximately \$67.8 million to the Workforce Development Board Year 18 Annual Plan (Fiscal Year 2017-18) from various federal and state formula and competitive grants (including Workforce Innovation and Opportunity Act Title I funds) and from local sources (including City and County sources). The budget reflects the City's preliminary CAP 39 rates for related costs (fringe benefits and central services) applicable for FY 2016-17 and which are still pending approval from the City's federal cognizant agency.

This report complies with City financial policies that allow reimbursement up to grant limitations. This report provides for reimbursement of Related Costs to the General Fund, save for the administrative component of the Related Costs under the WIOA fund that is in excess of the WIOA administrative cap limitation of 10%, currently estimated to be approximately \$1.6 million. The WIOA funds will reimburse the general funds for its Related Costs as allowed by federal grant. Subject to WIOA grant limitations, the recommendations contained herein comply with City Financial Policies in that federal,

state, and local grant sources and the PY 2017-18 Adopted Budget support budgeted costs in the Annual Plan.
