Please consider changing Rodeo Road sign from Jefferson going West to "Higera Blvd". It is very confusing going from Obama Blvd to Higera Blvd. By using Jefferson as a demarcation will make it more clear. I have the building at Rodeo and Jefferson and this would make more clear for the business in my building.

Thank you for your consideration

Dear Michael,
As co owner of 5939 Rodeo Rd 90016
We suggest that it makes more sense to change the name of the street westerly of Jefferson Blvd to Higuera st.
One continuous st from LA into Culver City. Someone from the transportation Dept. Already did it a while ago.
Although now I believe it was changed back to Rodeo on one side and Higuera on the side going south.
Our property is the only parcel before crossing the bridge into Culver City.
Thank you ,
Robert Hart

I live on 2525 1/2 Rodeo Road and have been a resident for over 53 years, I oppose renaming Rodeo Road. Inheriting logistical problems such as contacting multiple banks, loan companies, multiple insurance companies - including life, car, homeowners, legal documents changed - trusts and wills, magazines, companies that I personally do business with, business contacts, and anything that has a billing statement addressed to 2525 1/2 Rodeo Road. Last but not the least, the vast amount of family and friends I will have to contact. I trust that none on the city council have had to involuntary change their address because of someone else's decision. Whether or not the council does this because of political correctness, I oppose any name change to my street.

Dear Los Angeles City Council:

I strongly **oppose** to the street name change of Rodeo Road to Obama Boulevard.

Firstly, I have lived on this street for nearly 50 years and my neighbors similarly have lived here for decades. The name change would adversely affect us and for many elderly people who would have a difficult time going through the hurdles of changing our address on many important documents such as:

- CA Driver's license /ID
- Bank accounts
- Credit card companies
- Utility companies
- Social security/IRS
- Life, Health, and Home Insurance Companies
- etc.

Also, have you seen the ridiculously long wait time at the DMV to renew a license or ID? This would be burdensome to the elderly and to the full-time working residents of Rodeo Road. We could not be compensated enough for the hours spent at the DMV.

Secondly, how is Rodeo Road suitable to be called a boulevard? By definition a boulevard is a wide city street with a median strip. Rodeo Road does not have a median strip and is less than 4 miles long. Some stretches of Rodeo Road is very narrow. **President Obama deserves a bigger, longer and appropriate street named in his honor.**

As your constituent, I am imploring you not to change Rodeo Road to Obama Blvd.

Thank you,
Connie Evans

Mr. Espinosa,

I wanted to write to share my support for the proposed name change from Rodeo Road to Obama Boulevard. Together with my mother Mary Ann Yurkonis, we own a duplex property located at 1940-42 Rodeo Road and we both support the proposed name change. In addition to the reasons mentioned in the original council motion by councilperson Wesson - this name change will help resolve confusion between this street and the more famous Rodeo Drive in Beverly Hills. Often when describing my home and the property there is confusion as to the location as Rodeo Road is not a very familiar or popular street.

As such, a change as proposed will have minimal negative consequences and add minimal confusion to most folks, while providing a lot of clarity and a point of pride for homeowners and stakeholders in and around the street.

I hope you will take our support, together with that of our neighbors, into consideration on the matter.

Thank you!
John
