Good morning,

I support the Motion to revise the obsolete DOT Traffic Plan for Dodger Stadium. Attendance and traffic has dramatically increased since the plan was put in place.

We need an updated Traffic Plan that takes into consideration safety and quality of life of the nearby residents and businesses.

Congestion of traffic, speeding, and sometimes unruly drunk fans have had its toll on the Solano Canyon Community.

I strongly urge passage of the Motion.

Sincerely,

Danny M. Young
Resident Representative
Historic Cultural Neighborhood Council - Solano Canyon
City of Los Angeles
